SBSD Acceptable Use of Internet and Information Systems

Student's Agreement

I acknowledge the intent of the governing board of Solana Beach School District to encourage use of the Internet and other online resources to enhance student learning, and to improve communication and information access. I understand that my teacher, principal, and the leaders of my school district believe that the Internet and other electronic technology can help me learn and that all students who use school technology must agree to use it responsibly. As one of the students who use school technology, I understand the District's rules about using technology and I agree to follow them. I know that if I don't follow the rules, District officials will have the right to take my technology use privileges away and give me other appropriate consequences. [View Document](#)
