SBSD Acceptable Use of Internet and Information Systems

Student's Agreement

The Governing Board of Solana Beach School District recognizes the educational value of using Internet and other online resources for communication and information access and encourages the use of such sources to enhance student learning. My teacher, principal, and the leaders of my school district believe that the Internet and other electronic technology can help me learn. They also realize that it is a privilege for students to use computers and other technology that belongs to the school district. To keep this privilege, all students that use school technology have to agree to use it responsibly. As one of the students who use school technology, I understand the school district's rules about using technology and I agree to follow them. I know that if I don't follow the rules, the school district officials will have the right to take my privileges away and give me other appropriate consequences. [View Document](#)
