San Diego County Health and Human Services Agency

Big Four

**"All guidance should be implemented only with
the county health officer approval . . ."*

San Diego County Public Health Order:

(Effective June 19, 2020)

- All public, charter and private schools may hold classes or school business operations on the school campus, **provided the school complies with the measures contained in the State COVID-19 Industry Guidance: Schools and School-Based Programs issued by the CDPH** (including the face covering requirements contained therein), also *incorporating where feasible* the guidelines provided in Stronger Together: A Guidebook for the Safe Reopening of California's Public Schools issued by the California Department of Education (CDE)
- Each school shall complete and post a document detailing the actions the school is taking to comply with the CDPH Industry Guidance measures after considering the CDE Guidelines noted above. Colleges and Universities shall not hold classes or other school activities where students gather on the school campus, except for research-related activities in colleges and universities and where necessary to train students who will serve as essential workers. SBSD Guiding Principles for Reopening

Return as many students to school as many days as possible.

Maximize teaching and learning.

Provide for the social emotional needs of students, staff, and families.

All while maintaining the health and safety of our students and staff as a top priority.

Questions Health and Safety Requirements

Two Instructional Models

1. Online Scholars Model

2. Onsite Scholars Model

(Developed with the intent of getting ALL students back five days a week; but **must** remain **flexible** based on current and changing health orders.)

Increased Health Department Guidance

- Cohort Groups
- Physical Distancing (A/B Schedules)
- Face Coverings

Existing Health Department Guidance*

- Cohort Groups
- Physical Distancing (5-Day Schedule)
- Face Coverings
- Additional protective barriers

Online Learning (In the event of class or school closure)

*Reasonable, practical, and preventative guidance

Instructional Schedule Guiding Principles

Instructional Schedule Guiding Principles

- ✓ Addressing grade level standards for the school year
- ✓ Feedback to move learning forward and monitor progress
- ✓ Equitable access for all students
- ✓ Student-student meaningful interaction
- ✓ Teacher-student meaningful interaction

A weekly schedule template from Calendarpedia. It is titled 'Weekly schedule' and has a 'Name:' field. The schedule is a grid with columns for 'Monday', 'Tuesday', 'Wednesday', 'Thursday', and 'Friday'. The first column is labeled 'Time / period'. The grid has 10 rows for scheduling. The logo 'Calendarpedia Your voice for calendars' is in the top right corner.

Time / period	Monday	Tuesday	Wednesday	Thursday	Friday

Learning Model

- Robust online learning program that is different from Distance Learning model of Spring 2020
- Follows the same calendar year as all SBSD schools
- Covers same grade level content expectations as the onsite model (including Discovery Labs)
- Composed of students *throughout* the Solana Beach School District
- Staffed with fully credentialed SBSD teachers and support staff dedicated to the online learning model
- Requires daily attendance
- Consists of *daily* live (synchronous) instruction, pre-recorded (asynchronous) instruction, as well as independent learning, all within a structured daily schedule
- Provides student progress updates
- Requires a full year commitment

Planning for Illness

Notification Process and Procedures for Positive COVID-19 Occurrence

Procedures for Partial or Full School Closure

Planning for Other Onsite Schedules

Staggered Arrival and Dismissal

- Minimize contact at school between students, staff, families and the community at the beginning and end of the school day.
- Designate routes for entry and exit, using as many entrances as feasible.
- Conduct visual wellness checks of all students and take students' temperature with a no-touch thermometer.
- Ask about COVID-19 symptoms within the last 24 hours and whether anyone in their home has had COVID-19 symptoms or a positive test.
- Monitor the types of illnesses and symptoms among students and staff to help isolate them promptly.

Planning for Other Onsite Schedules

Staggered Recess Schedules

- Consider holding recess activities in separated areas designated by class.

Staggered Lunch Schedules

- Serve meals in classrooms or outdoors instead of cafeterias or group dining rooms.

Cleaning Schedules (before, during, and after school)

- Staff should disinfect frequently-touched surfaces within school and on school buses daily and, as practicable, frequently throughout the day by trained custodial staff.

Implementing Onsite *Physical* Distancing

Classroom Space

- Students should remain in the same space and in groups as small and consistent as practicable.
- **Maximize** space between seating and desks.
- **Distance** teacher and other staff desks at least six feet away from student desks.
- **Consider** spacing students **as practicable**, such as, six feet between desks, partitions between desks, markings on classroom floors to promote distancing.

Continued Commitment to Provide Meals Following our Highest Standards for Nutrition, Quality, Taste, and Local Sourcing Using our “Speed Scratch” Culinary Methods

Service will be dependent on instructional learning model

Implementing Meal Service

What we know:

- Bagged lunches will be served with all required meal components (protein, fruit, grain vegetable, along with milk and juice, if desired)
- Accessing meals:
 - classroom delivery OR pick-up (onsite scholar option)
 - curbside drive-through “Grab & Go” (online scholar option)

Health, Safety, and Sanitization:

- Daily employee health screening
- Frequent hand washing schedules
- Gloves and masks worn by staff
- Physical distancing
- Enhanced sanitization protocol
- Limit kitchen access to identified personnel

Hygiene & Cleaning

Cleaning and Disinfecting Protocols

- New Regular and Routine process
- Positive COVID-19 case

Staff and Student Hygiene

- Hand sanitizer dispensers

Personal Protective Equipment (PPE)

- Students
- Staff

Childcare SBSD Child Development Center

Health Department Driven

- Different Department of Public Health Document
- California Community Care Licensing

Field Testing Summer 2020

- Small cohort groupings (inside/outside)
- Staggered drop off/pick up
- Active symptom screening
- Limited parent access to campus
- Physical distancing

2020-21 School Year

- Planning in progress using *Summer Field Test* information and updated Health Department guidance

Selecting an Instructional Learning Model

Timeline*

- July 17 - Selection form available electronically
- **By July 24, 2020 - Parents select one of the two options:**
 - Online Scholars Model
 - Onsite Scholars Model
- July 27 - August 7 - District assigns students to instructional learning model and finalizes staffing for each model
- Friday, August 21 - Mini-Open House (format TBD)
- Tuesday, August 25 - School Starts

Requests to Change Models

- In a unique situation, where a request to change models occurs, considerations will be based upon space availability. This will be handled on a case-by-case basis.

*Subject to change based on current health orders

Next Steps

- Recorded presentation will be posted on our Solana Pacific School website (The presentation slides have been translated to Chinese and will also be posted)
- Frequently Asked Questions (FAQs) will be compiled and posted on our school website
