Dear Solana Beach School District Families,

### **Governor Announces Vaccination Requirement**

As you may have heard, last Friday morning, Governor Newsom announced that California will mandate vaccines for all public and private school students. As this is new information for all of us, I wanted to provide an initial communication, with an understanding that more information will be shared with our families and community as additional details about this vaccine mandate and how it will impact school operations is known. At this time, this is not a topic of discussion for the Solana Beach School District Board of Education.

### **Next Regular Board Meeting October 14, 2021**

At the October 14 Regular Board meeting, the Board of Education will be revisiting health and safety measures, and specifically outdoor masking. The regularly scheduled Board meeting will be held virtually and is accessible through the District's posted agenda which will be available the afternoon of Friday, October 8 on our home page: [Board Meeting Dates, Agendas, and Minutes](#).

Sincerely,

Jodee Brentlinger, Superintendent
