Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the unit member each month for ten (10) months. Deductions for unit members who are employed after the commencement of the school year shall begin on the first of the month following employment/authorization. Such authorization shall continue in effect from year to year unless revoked in writing. - 7.2 Any unit member who is not a member of the Association or who does not make application for membership within thirty (30) days of the effective date of this Agreement, or within thirty (30) days from the commencement of assigned duties within the bargaining unit, shall become a member of the Association or pay to the Association a fee in an amount equal to the legally chargeable collective bargaining expense portion of unified membership dues, initiation fees, and general assessments, payable to the Association in one lump sum cash payment in the same manner as required for payment of membership dues, provided, however, that the unit member may authorize payroll deduction for such fee in the same manner as provided in Section 7.1 of this Article. Until the legally

chargeable amount has been determined, the unit members shall pay the amount equal to unified membership dues, initiation fees and general assessments. In the event that a unit member does not pay such fee directly to the Association by November 1 of any year, or authorize payment through payroll deduction as provided in Section 7.1, the Association shall so inform the District in writing, and the District shall immediately begin automatic payroll deduction as provided for in Education Code Sections 45060 and 45061 and in the same manner as set forth in Section 7.1 of this Article. There shall be no charge to the Association for such mandatory agency fee deductions.

7.3 Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support the Association as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such service fee to one of the following non-religious, non-labor organization, charitable funds exempt from taxation under Section 501(c)(3) of Title 26 of the Internal Revenue Code: Solana Beach Schools Foundation, United Way, and/or the American Cancer Society.

7.3.1 Proof of payment and a written statement of objection shall be made on an annual basis to the District as a condition of continued exemption from the provisions of Sections 7.1 and 7.2 of this Article. Proof of payment shall be in the form of confirmation of authorized payroll deduction by the District or receipts and/or canceled checks indicating the amount paid, date of payment, and to whom payment in lieu of the service fee has been made. Such proof shall be presented in accordance with the procedures and timelines contained in Section 7.2 above.

- 7.3.2 Any unit member making payments as set forth in Sections 7.3 and 7.3.1 above, and who requests that the grievance or arbitration provisions of this Agreement be used in his/her behalf, shall be responsible for paying the reasonable cost of using said grievance and arbitration procedures.
- 7.4 With respect to all sums deducted by the District pursuant to Sections 7.1 and 7.2 above, whether for membership dues or agency fee, the District agrees promptly to remit such monies to the Association accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association, and indicating any changes in personnel from the list previously furnished. There shall be no charge to the Association for such deductions.
- 7.5 The Association agrees to promptly furnish, without charge, any information needed by the District to fulfill the provisions of this Article.
- 7.6 The Association agrees that it will indemnify and hold harmless the District from attorney fees, costs, charges, fees, awards and damages arising out of any matter commenced against the District due to compliance by the District with its obligations under this Article. The District agrees that in consideration of the Association's obligation, hereunder the District will notify the Association in writing of any matter within thirty (30) days of service thereof upon the District. The District and the Association shall fully cooperate with each other on any matter commenced against the District. The Association may, at its discretion, determine whether to defend, settle in whole or in part, or appeal the matter. In the event the Association makes a determination to settle or not to appeal, its liability under this section shall be limited to costs, fees, charges, awards, judgments,

and/or settlements to that date. If the District continues to participate in the matter, it shall be at its own expense for further monetary obligation.

Article 10

GRIEVANCE PROCEDURE

10.1 Definitions

- 10.1.1 A “grievance” shall mean an alleged violation, misapplication, or misinterpretation of a specific provision of this Agreement which adversely affects the grievant. This Grievance Procedure shall not be used to challenge or change policies, regulations, or procedures of the District, which are not included in or related to this Agreement; nor shall the Grievance Procedure be used for other matters for which specific methods of review are provided by law, or District policies, rules, or regulations. Matters pertaining to unit member discipline shall be processed in accordance with the provision of Article ?? – Discipline, and shall be excluded from consideration under the grievance procedure.
- 10.1.2 A “grievant” shall mean a bargaining unit member covered by this Agreement or the Association. In case of multiple grievance claims on the same issue, the Association may elect to process a grievance on behalf of the multiple grievants.
- 10.1.3 A “conferee” shall mean any one Association representative selected by the grievant to assist the bargaining unit member. An immediate Administrator with whom a grievance is filed may also choose a representative in processing grievances. A grievant shall have the right to Association representation at any level of this procedure.
- 10.1.4 “Association” shall mean the employee organization recognized by the Board of Trustees as the exclusive representative for the unit of employees covered by this Agreement.
- 10.1.5 “Day” shall mean any day in which the bargaining unit member is required to render service.
- 10.1.6 “Immediate Administrator” shall be the first level administrator having immediate jurisdiction over the grievant, and who has been designated to adjust grievances.
- 10.1.7 A “Grievance Form” shall mean a form for filing grievances prepared

jointly by the District and the Association. The form shall be available for use by the Association and all unit members.

10.1.8 “Mediator” shall mean a member of the California State Conciliation Service, or any other individual mutually agreeable to the Association and the District, who shall work informally with the parties in an attempt to facilitate a bilaterally acceptable resolution to the grievance.

10.2 General Provisions

10.2.1 The purpose of the Procedure is to attempt to secure equitable solutions to grievances. All parties agree that these proceedings will be kept confidential, and that the grievant and immediate Administrator should attempt to resolve the grievance at the Informal Level.

10.2.2 The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities subject to the final decision of the grievance. In the event the alleged grievance involves an order, requirement, or other directive, the grievant shall fulfill or carry out such order, requirement, or other directive, pending the final decision of the grievance; but upon request of the grievant, the immediate Administrator shall place the order, requirement or directive in writing.

10.2.3 Nothing contained herein will be construed as limiting the right of any grievant to discuss a grievance informally with his/her immediate administrator, or to have the grievance adjusted without intervention of the Association, provided that the adjustment is not inconsistent with the terms of this Agreement. Any proposed resolution at Levels I or II shall not be agreed upon by the District until the Association has been provided a copy, and allowed an opportunity to respond either in writing, or in a conference, or both, with the appropriate Administrator. In instances of a grievance processed without the intervention of the Association, five (5) days of additional time shall be added to each of the time limits for District response provided for in Levels I and II of this Procedure.

10.2.4 The filing of a grievance shall not reflect unfavorably upon the grievant.

- 10.2.5 The grievant or Association and immediate supervisor shall have the right to include in the grievance hearings such witnesses as they deem necessary to develop facts pertinent to the grievance. These names shall be made available to both parties upon request. Such witnesses shall be in addition to the conferee that either party may select.
- 10.2.6 Once a grievance arising from a particular incident or circumstance has been resolved, another grievance based on that particular incident may not be filed.
- 10.2.7 A grievant who fails to comply with the time limits established in this Procedure shall forfeit all rights to apply the Grievance Procedure for the alleged contract violations.
- 10.2.8 Except upon mutual agreement of the grievant, the Association and the District, a grievance still in process at the end of the school year in which filed, shall be continued at the start of the following school year.
- 10.2.9 The District shall provide the Association with reasonable release time for purposes for processing grievances. Grievance meetings normally will be scheduled by the District and the Association so as not to conflict with classroom duties.
- 10.2.10 The time limits described in this Article may be extended or modified upon the mutual agreement of the parties.
- 10.2.11 If an alleged violation involves both a grievance, as defined in this Article, and an unfair practice charge, as defined in the Educational Employment Relations Act, the grievance machinery of the Article shall be exhausted prior to the filing of the unfair practice charge.
- 10.2.12 No reprisals of any kind shall be taken against any unit member because of participation in the Grievance Procedure in accordance with the terms of this Article
- 10.2.13 All records dealing with the processing of grievances shall be filed separately from the personnel files of the participants.

10.3 Informal Level

- 10.3.1 A bargaining unit member, and/or an Association representative, shall meet with the immediate Administrator to discuss the potential grievance

in an attempt to resolve it informally. Either the unit member or the immediate Administrator may bring a conferee to this informal meeting.

10.3.2 If the potential grievance is not resolved at this level, the bargaining unit member may proceed to Level I.

10.4 Level I

10.4.1 Within fifteen (15) days of the occurrence, or within fifteen (15) days of when the unit member could reasonably have known of the occurrence of the act or omission giving rise to the grievance, the grievant, or the Association acting on behalf of the grievant, must present his/her grievance in writing on grievance form to the immediate Administrator.

10.4.2 The grievant shall provide, on the District form, a clear and concise statement of the grievance, identifying the specific provision(s) of this agreement alleged to have been violated, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought.

10.4.3 The immediate Administrator shall communicate a decision to the Association and the grievant in writing within ten (10) days after receiving the grievance.

10.4.4 If the Administrator does not respond within the time limits, the Association or the grievant may appeal to the next level. Within the foregoing time limits, either party may request a personal conference to discuss the grievance. Either the grievant or the immediate Administrator may have a conferee present at such a conference.

10.5 Level II

10.5.1 In the event that the grievant is not satisfied with the decision at Level I, the Association may appeal the decision in writing on the grievance form to the Superintendent, or his/her designee, within ten (10) days.

10.5.2 The written appeal statement should include a copy of the original grievance, the decision rendered a previous Level I, and a clear and concise statement of the reasons for the appeal.

10.5.3 The Superintendent shall communicate the decision within ten (10) days after receiving the appeal. Either the Association acting on behalf of the

grievant or the Superintendent may request a personal conference within the foregoing time limits to discuss the grievance. Either party may have a conferee present at such conference.

10.5.4 If the Superintendent, or his/her designee, does not respond within the time limits, or in the event the grievant is not satisfied with the decision at Level II, the grievant may, within ten (10) days of the response, or within fifteen (15) days in the event of no response, submit a written request for Level III mediation of the grievance. The District shall, within ten (10) days of receipt of the request, submit to the California State Mediation and Conciliation Service a written request for the immediate services of a mediator.

10.6 Level III – Mediation Procedure

10.6.1 In the event that the Association is not satisfied with the decision at Level II, within ten (10) days thereafter, it may request the informal assistance of a mediator through the California State Mediation and Conciliation Service by submitting a written request for such assistance to the Superintendent. Said request shall be honored by the District.

10.6.2 The mediator shall not have the authority to make a written or public recommendation regarding the grievance resolution. Rather, the mediator shall assist the parties to achieve a mutually satisfactory resolution of the grievance.

10.7 Level IV – Board of Trustees

10.7.1 If mediation does not result in the resolution of the grievance, the grievant may submit a written appeal of the grievance to the Board of Trustees within ten (10) days. This written appeal shall include a copy of the original grievance, the decisions rendered at prior levels, and a clear, concise statement of the reasons for the appeal. The Board shall conduct such review, hearings, and investigations, as it deems necessary for the grievance appeal and shall render a final decision on the matter within twenty (20) days after the Board has completed its deliberation regarding the grievance appeal. The decision of the Board of Trustees shall be final.

Article 11

WORKDAY AND WORK YEAR

- 11.1 Except as modified herein, the workday for bargaining unit members shall be 7 1/2 hours per day, or 37 1/2 hours per week of school-based or related District service, including a duty-free lunch period of 45 minutes. The unit member workday shall be structured and directed by the immediate Administrator in conformance with this Article. Unit members may be required, on an equitable basis, to provide lunch-duty supervision of students for any portion of the teacher lunch period described herein that exceeds 35 minutes.
- 11.2 Except on days of prior scheduled faculty and program meetings, the unit member workday shall begin not later than 30 minutes before his/her first instructional assignment and shall conclude no sooner than 25 minutes after his/her last instructional assignment.
- 11.2.1 In addition to the basic workday described in item 11.1 above, unit members may be required by the District to perform adjunct duties associated with the education profession such as 6th grade camp, parent conferences and other school and District-related activities. Additional adjunct duties may be required by the District provided the following guidelines are not violated:
- 11.2.1.1 The District shall have the right to assign any unit member to serve on one (1) District-wide committee per school year.
- 11.2.1.2 Unless committee membership is directly related to a unit member's job assignment, District-wide Committee membership shall first be filled voluntarily by unit members. All unit members will first volunteer or be assigned prior to unit members joining additional committees.

- 11.2.1.2.1 In order to assist with Committee Membership selection, each year SBSB will provide the following proposed information: purpose and outcomes, commitments/ responsibilities, and timeline.
- 11.2.1.3 A unit member's required attendance at said District-wide committee meetings shall not exceed twenty (20) hours per year. Unless committee membership is directly related to a unit member's job assignment, a teacher in his/her first year or second year of California Teacher Induction (CTI) shall count CTI as his/her committee service.

- 11.2.1.6 Any bargaining unit member required to attend camp shall

be granted two (2) days of compensatory time off if he/she attends and stays overnight for half or more of said camp; attendance and an overnight stay at less than half of said camp shall result in one (1) day of compensatory time off. The bargaining unit member at his/her option may opt for and receive \$250 per night for attendance at camp instead of compensatory time. The compensatory time provisions contained herein shall be used at a time mutually agreeable to the unit member and his/her immediate supervisor.

11.2.2 In addition to the basic workday described in item 11.1 above, unit members may be asked to voluntarily participate in a task force(s). Task forces are defined as activities and topics specific to a site and/or district-wide, and are overseen by a district/site administrator for a limited and specified amount of time. Voluntary task force participation is in addition to adjunct committee membership and is paid at the Task Force Rate of pay specified in Article 20, when conducted outside the workday.

11.3 In unusual instances of personal convenience, not provided for in the Leave Section of this Agreement, unit members may be allowed to deviate from the provisions of Section 11.2 above, provided that they receive prior approval of their immediate Administrator and provided that they render equivalent make-up time of school-based related service during the week in which the personal convenience need occurs, or if such in-week make-up is impossible, the time is made up during the week immediately preceding or following the personal convenience occurrence.

11.4 In order to accommodate school faculty meetings, the immediate Administrator may designate a specific day per week on which all unit members will render the 7 1/2 hour daily service requirement on the same daily schedule. Notwithstanding other provisions of this Article, two such faculty meetings per month may, at the

discretion of the immediate Administrator, extend the 7 1/2 hour workday by sixty (60) minutes before or after said 7 1/2 hour workday.

11.4.1 For faculty meetings before school, this time will begin no earlier than one hour and fifteen minutes before the start of the school day and will end promptly fifteen (15) minutes before the start of the school day.

11.5 In unusual circumstances of District-wide staff meetings required by the District, the Superintendent may require all unit members to render service on the same daily schedule in order to accommodate such prior scheduled total staff meetings.

11.6 When determining the makeup of each class for the following school year, placement of students will be done on an equitable basis whenever possible. Grade-level teams, special education teams, and other appropriate staff will meet with the site administrator to problem- solve inequalities before the final class lists are shared publicly. The principal is the final decision-maker regarding class assignments.

11.7 The unit member work year, of not more than 185 days unless otherwise noted, shall be established annually by the Board of Trustees after consultation with the Association regarding the composition of the calendar.

11.8 The District shall attempt to implement the provisions of this Article including Section 3, without the use of formal monitoring activities.

11.9 It is understood by the parties that individual teacher service to the District is his/her primary professional obligation.

11.10 During the term of the Agreement, the District will prioritize additional unrestricted one-time funds to offer two (2) days per year of Professional Learning for all unit members. Attendance at said days shall be voluntary, and compensation for a full day of attendance shall be at an individual's per diem pay

rate; there shall be no prorating of compensation for attending only part of a Professional Learning day. The Professional Learning days contemplated herein, shall be in addition to the regular work year of 185 days.

11.11 During the five (5) five workdays scheduled at the beginning of the contracted work year, unit members will receive a minimum of 40% of their contracted work time without administration or faculty meetings.

11.12 Classroom teachers and Specialists (excluding District Nurses and District TOSAs) may schedule a workday before each Progress Report is sent home/conferences are held, totaling three (3) days per year to formulate and formalize student progress.

11.12.1 These days will not be scheduled on a District Professional Learning Day in which their attendance is required. Attendance at pre-existing Staff Meetings is required.

11.12.2 These days are granted on a prorated basis for job-shares and less than full time teachers and specialists.

LEAVES

14.1 General Provisions

14.1.1 The unit member exercising a leave of absence shall notify the District of their need to be absent from service as soon as known, but in no event later than 7:00 A.M. of the day of absence, except in cases of emergency. The notification described herein shall also include an estimate of the expected duration of the absence.

14.1.1.1 In cases covered by Sections 14.3.3.1 and 14.3.3.2, an employee shall notify the District Office or immediate supervisor as soon as possible so that a substitute may be hired, if needed.

14.1.2 Immediately upon return to active service, the unit member shall complete the *Certificated Leave/Absence Request Form* (refer to Appendix E) and submit it to their immediate supervisor.

14.1.3 The unit member shall provide, upon District request, additional verification of the use of these leave provisions.

14.1.4 A unit member who has experienced a disability absence requiring surgery, hospitalization, or extended medical treatment, shall be required to submit, prior to return to active duty, a medical statement indicating an ability to return to his/her position classification without restrictions or detriment to the unit member's physical and emotional well-being.

14.2 Illness and Injury Leave

14.2.1 For each year of service, every full-time unit member of the Solana Beach School District shall be entitled to ten (10) days of absence due to personal illness or injury with full pay. Permitted days of absence are exclusive of all days the unit member is not required to render service to the District. If a unit member does not take the full amount of leave allowed in any school year, the amount not taken shall be accumulated from year to year. A part-time unit member on a regular basis is entitled to a pro-rated amount of sick leave.

- 14.2.2 Any unused sick leave credit may be used by the unit member for sick leave purposes, without loss of compensation. Upon exhaustion of all accumulated sick leave credit, the unit member who continues to be absent for purposes of this policy shall receive for up to one hundred (100) days, the difference between his/her salary and the salary of a substitute or the salary that would have been paid to a substitute if one was sought but not secured, or if a substitute was not needed. In order to qualify for the differential pay, a unit member shall first use all accumulated sick leave credit. However, if a school year terminates before the one hundred (100) day period is exhausted, the bargaining unit member may take the balance of the 100 days in the subsequent school year. Only one increment of differential pay shall be allowed for any single illness.
- 14.2.3 Upon request, if a unit member is absent due to illness, he/she shall furnish a statement signed by a physician verifying his/her illness.
- 14.2.4 Access to each unit member's accumulated sick leave is available on the paystub which is accessible via the Employee Self-Serve System.
- 14.2.5 A unit member who must be absent from duty because of disability as a result of pregnancy or convalescence following childbirth is eligible for leave which shall be taken from available sick leave. Under no circumstances is this leave to be used for purposes of childcare. Available sick leave benefits will commence upon certification by a physician that the unit member is disabled because of pregnancy or convalescence from childbirth. Available sick leave benefits will end when the physician certifies that the unit member's disability no longer exists. (*See Maternity Leave for other related leave provisions*).

14.3 Personal Necessity

- 14.3.1 When consistent with the definition of Personal Necessity Leave, a unit member may use up to ten (10) days of current sick leave benefits for Personal Necessity within a given school year without stating specific reason. The unit member will complete the Certificated Leave/Absence Request Form.
- 14.3.2 Personal Necessity Leave may be used for circumstances which cannot

be expected to be disregarded, necessitate immediate attention, or cannot be addressed during off-duty hours. For example, attendance at a wedding or school graduation of an immediate extended family member, or close personal friend, or child adoption leave shall be appropriate uses of Personal Necessity Leave. However, Personal Necessity Leave shall not be available for discretionary absences such as social events, occupational investigation, family convenience, personal preference or work stoppage.

14.3.3 The following may also be considered Personal Necessity Leave:

14.3.3.1 Death or serious illness of a member of his/her immediate family. Any such leave granted for a death of a member of the immediate family would be in addition to normal Bereavement Leave per section 14.4

14.3.3.2 Accident, involving his/her person or property, or the personal property of a member of his/her immediate family.

14.3.4 Except in the case of emergency, the unit member will submit advance notice for the use of Personal Necessity on *the Certificated Leave/Absence Form* (Appendix E listed).

14.4.3 Three (3) days shall be granted for immediate family. An additional two (2) days shall be granted for out-of-state travel. An additional two (2) days shall be granted if death is to a member of the immediate household. Total bereavement leave shall not exceed five (5) days.

14.4.4 "Immediate family" means the spouse of the unit member, mother, father, grandmother, grandfather, grandchild, son, son-in-law, daughter, daughter-in-law, brother, or sister of the unit member or of the spouse.

This also includes any relative living in the immediate household or the unit member.

14.5 Industrial Accident and Illness Leave

14.5.1 A bargaining unit member, upon the first day of service, shall be entitled to an industrial accident or industrial illness leave of absence, not to exceed sixty (60) working days in any one fiscal year for the same accident.

14.5.2 An industrial accident or illness leave shall commence on the first day of absence and shall be reduced by one (1) work day for each day of authorized absence. When such leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due for the same continuing illness or injury.

14.5.3 A unit member absent from duties as a result of an industrial accident or illness shall be paid such portion of the salary due him/her for any month in which the absence occurs as when added to his/her temporary disability indemnity will result in a payment to him/her of not more than his/her full salary. During any paid leave of absence, the unit member shall endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the member's salary and shall deduct normal retirement and other authorized contributions.

14.5.4 Upon termination of the industrial accident or illness leave, a unit member shall be entitled to the sick leave benefits provided and for the purpose of this section his/her absence shall be deemed to have commenced on the date of termination of the industrial accident leave (provided that an employee who continues to receive temporary disability indemnity will not receive payment of more than his/her full salary).

14.5.5 A unit member receiving the benefits of such leave shall, during periods of injury or illness, remain within the State of California unless otherwise authorized by the Governing Board.

- 14.5.6 Allowable industrial accident and illness leave shall not be accumulated from year to year.
- 14.5.7 When a dispute arises regarding an industrial accident or illness, no leave shall be granted until a determination has been made regarding the case by the State Compensation Office or the Appeals Board. While this dispute is pending, sick leave benefits as prescribed in this Agreement shall be provided by the School District. The benefits provided in this leave are in addition to sick leave benefits. Accordingly, the Board shall not deduct accumulated sick leave from the sick leave allotment of a unit member who is absent as the result of an industrial accident or illness. An employee shall be permitted to return to service after an industrial accident or illness only upon the presentation of a release from the authorized Worker's Compensation physician certifying the employee's ability to return to his/her position classification without restrictions or detriment to the employee's physical and emotional well-being.

14.6 In-Service Leave

- 14.6.1 A unit member may, with the recommendation of his/her principal, be granted one (1) day of paid leave each school year for the purpose of improving his/her performance. The District may require the unit member to participate in such in-service activity. Such leave may be used to visit classes in other schools or to attend workshops related to his/her performance.

14.7 Jury Leave

- 14.7.1 A unit member shall be entitled to as many days of paid leave as are necessary for jury duty.
- 14.7.1.1 Pay for jury duty, excluding mileage allowance, shall be reimbursed to the District.
- 14.7.1.2 A unit member who voluntarily postpones required jury duty to a non-work period shall be paid the daily substitute teacher rate for each day of jury duty actually served during said non-work period. Evidence of actual jury service (rather than telephone availability) shall be submitted to

14.8 Conference Attendance Leave

The principal or immediate supervisor shall review the request and, if approved, submit the request to the District Office. The request shall be submitted in sufficient time to allow presentation to the Board for their consideration prior to the event.

14.8.1.2 Conference Within San Diego County:

14.8.1.2.1 The Superintendent may authorize mileage, meal and registration fee claims for faculty attendance at conferences within San Diego County. Reimbursements will be treated under the current IRS code.

14.8.1.3 Conferences Outside San Diego County:

14.8.1.3.1 Prior written approval of the Superintendent and Board of Trustees shall be required for attendance and expense reimbursement at conferences that are held outside San Diego County.

14.8.1.4 Guidelines for Transportation and Lodging:

14.8.1.4.1 The most economical and reasonable mode of transportation shall normally be used at all times, and expenses should be kept at a minimum. When two or more unit members attend the same conference, an attempt should be made to coordinate and share transportation.

14.9 Subpoena Leave of Absence

14.9.1 Subpoena leave shall be provided when a bargaining unit member is absent because of mandatory court appearance as a witness, not a litigant, in response to a subpoena duly served. A unit member shall suffer no monetary loss or gain by reason of this service.

14.9.2 A copy of the subpoena or a certificate of the clerk of the court and a report of fees received, exclusive of mileage, shall be filed with the absence report in the District Office.

14.10 Job Sharing Leave

14.10.1 Shared contracts will be allowed at the ratio of 1 per 10 general education classrooms (rounded to the nearest whole) per site during any school year. It is not recommended that more than one job share be approved at a grade level. Site principals shall have the option of approving job-share proposals based upon the criteria in 14.10.2 and 14.10.4 below. Job shares of varying percentages (50-50, 40-60, etc.) may be approved based upon school need and the quality of the proposal. Teachers may hold a job-share position for two consecutive years. Additional years may be approved by the principal if there is an opening.

14.10.1.1 However, when the situation arises and a full-time certificated teacher who is not assigned to a general education classroom (including by not limited to SLPs, Special Education Teachers, CRTs, et al.) submits an application and is approved to share a contract, the shared contract ratio will be adjusted to a ratio of 1 per 10 full-

time equivalent certificated positions (rounded to the nearest whole). It is not recommended that more than one specialist position be approved for a job share per site.

14.10.2 Base requirement to apply for a job-share position are: both teachers must be in permanent status; at least one of the partners must have taught the grade level/specific position; at least one of the partners must currently teach at the school site. Priority will be given to the job-share teams where both teachers are at the same site. Current full-time teachers will be considered before those returning from leave.

14.10.3 Teachers occupying shared jobs shall be required to provide the complete range of adjunct duties required of other teachers. Responsibilities of a job-share assignment shall be allocated in accordance with the job-share proposal approved by the principal. Additional duties and responsibilities required of job-share teachers:

- a. Both teachers will attend District-related staff development that occurs during a semester when they are rendering service to the District.
- b. Both teachers will attend parent-teacher conferences that occur during a semester when they are rendering service to the District.

- f. In the event that one teaching partner cannot complete the school year and the job share is terminated because one teacher cannot complete said job assignment, the remaining partner will return to a full-time position when feasible.

14.10.4 Criteria used to approve a shared contract:

After basic requirements of the job sharing are met (see 14.210.2), the

principal will consider factors including teacher compatibility, past successful team participation, and most importantly, the quality of the job-share proposal.

- 14.10.5 Teachers sharing a full-time position are entitled to share the full-time benefit package on a pro rata basis equal to the percentages of the job share. The job sharers must enroll in the District fringe benefits and pay their portion of the premiums by completing the appropriate payroll deduction forms for premium payment. Notwithstanding the above, one member of a job-sharing team may waive rights to his/her share of the benefits package so that the other member of the team will receive the full 100% package.
- 14.10.6 Bargaining unit members requesting permission to enter the job-sharing plan shall submit the appropriate application to the site administrator no later than March 1st of the prior year. Said application shall include a detailed plan of how the proposed job sharing will function and its design to avoid the impairment of educational opportunities/experiences for students in the job-shared classes. The site administrator shall make the final decision regarding placement and approval of job-sharing contracts.
- 14.10.7 The District and the Association agree that the decision to approve job-sharing plans shall not be subject to the provisions of Article 10 of this Agreement (Grievance Procedure).

Unless the conduct is of a severe nature or circumstance, no suspension shall be imposed without at least one prior written reprimand relating to the cause(s) for suspension. The proceeding will be informal; there will be no formal cross-examination of witnesses or formal presentation of evidence. The Superintendent/designee will receive all information provided by the unit member and may elect to conduct his/her own further review of information after the meeting and before making his/her determination. The unit member may have a representative of his/her choice attend and represent him/her at the meeting. However, the unit member must be present at the meeting or otherwise waive the right to address the Board.

- 15.3.2.7 The unit member will be provided with written notice of the time and place of the closed session in which the unit member's appeal will be heard by the Board. Pursuant to Government Code section 54957, the notice shall advise the unit member of his/her right to have the Board hear the appeal in either open or closed session. If the unit member requests the matter be heard in open session, such request must be provided to the Superintendent prior to the day in which the agenda is finalized for the scheduled Board meeting.
- 15.3.2.8 Following the presentation by the parties in closed or open session, the Board shall meet privately to discuss and deliberate and make its decision regarding whether the suspension shall be upheld. - 15.3.2.9 The written decision of the Board shall be served upon the unit member and the Association. The decision of the Board shall be final.
- 15.4 Nothing in this Article shall prohibit the District from instituting discipline, up to and including dismissal, pursuant to the California Education Code. Such actions are specifically excluded from the operation of this Article, and discipline under this Article shall not be regarded as a precondition to proceeding with discipline under the Education Code.
