# Measure JJ Independent Citizens' Oversight Committee (ICOC) Meeting

March 24, 2021

Solana Beach School District, Telephonic/Video Conference\*

6:00 p.m.

Welcome to the meeting of the Independent Citizens' Oversight Committee, ICOC, of the Solana Beach School District.

#### **Public Inspection of Documents**

In compliance with Government Code 54957.5, agenda-related documents that have been distributed to the ICOC less than 72 hours prior to the meeting are available for inspection at the Solana Beach School District, 309 North Rios Avenue, Solana Beach.

#### Hearing of the Public

Persons wishing to address the ICOC are invited to do so at this time. In the interest of time and order, presentations from the public are limited to three minutes per person, per topic. If you wish to speak, please use the following link for comments: <a href="www.sbsd.k12.ca.us/icoccomment">www.sbsd.k12.ca.us/icoccomment</a>. The link is active between 5:30 p.m. – 6:00 p.m. the day of the scheduled meeting.

In accordance with the Brown Act, unless an item has been placed on the published agenda, there shall be no action taken. The ICOC may (1) acknowledge receipt of the information, (2) refer to staff for further study; or, (3) refer the matter to the next agenda.

\*The Governor has declared a State of Emergency to exist in California as a result of the threat of COVID-19 (aka the "Coronavirus"). The Governor issued Executive Order N-25-20, which directs Californians to follow public health directives including cancelling gatherings. The Executive Order also allows local legislative bodies to hold meetings via conference/video calls while still satisfying state transparency requirements. The Governor has also issued Executive Order N-33-20, prohibiting people from leaving their homes or places of residence except to access necessary supplies and services or to engage in specified critical infrastructure employment.

The Public's health and well-being are the top priority for the Solana Beach School District ("District") and you are urged to take all appropriate health and safety precautions. To facilitate this process, the meeting of the ICOC Board will be held via telephonic/video conference.

Note: The meeting is being held by telephonic/video conference means and will be made accessible to members of the public seeking to attend and to address the Board solely through the links provided, except that members of the public seeking to attend and to address the ICOC Board who require reasonable accommodations to access the meeting, based on disability or other reasons, should contact <a href="mailto:lisadavis@sbsd.net">lisadavis@sbsd.net</a> or (858) 794-7112 at least twenty-four (24) hours in advance to make arrangements for such reasonable accommodations.

#### **Assistance with Meeting**

In compliance with the Americans with Disabilities Act and AB-3035, if you require special assistance to participate in this meeting, please contact the Assistant Superintendent of Business Services at (858) 794-7112 at least 24 hours prior to the start of the meeting to enable the District to make reasonable arrangements.

# SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND INTRODUCTION AND INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE MEMBER LISTING JUNE 30, 2020

The Solana Beach School District was established in 1887. The District boundaries include the City of Solana Beach, the City of San Diego, Fairbanks Ranch, Rancho Santa Fe, and portions of Carmel Valley and Pacific Highlands Ranch. The District currently operates one preschool and seven elementary schools.

In November 2016, the voters of Solana Beach School District approved by more than the required 55% favorable vote, Measure JJ, authorizing the issuance and sale of general obligation bonds, not to exceed \$105,000,000. Measure JJ is a Proposition 39 bond. The passage of Proposition 39 in November 2000 amended the California Constitution to include accountability provisions. Specifically, the District must conduct an annual independent performance audit to ensure that funds have been expended only on the specific projects listed as well as an annual, independent financial audit of the proceeds from the sale of the bonds until all of the proceeds have been expended for facilities projects.

In May 2017, the District issued Election of 2016, Series A general obligation bonds totaling \$50,000,000. Bond proceeds are to be used to replace or upgrade aging, outdated classrooms, science labs, libraries, and school buildings; restore deteriorating roofs, plumbing, and electrical systems; improve student safety and campus security; and provide students access to educational facilities, science, and technology needed to prepare for high school, college, and careers, and qualify for State grants. The bonds bear interest at a rate of 2.0% - 5.0% and are scheduled to mature through August 2046.

In March 2019, the District issued Election of 2016, Series B general obligation bonds totaling \$55,000,000. The bonds bear interest at a rate of 3.0% - 5.0% and are scheduled to mature through August 2041, with the first payment commencing in August 2020. With this issuance, the District has issued the total amount of \$105,000,000 in general obligation bonds authorized under Measure JJ.

Proposition 39 requires school districts that pass Proposition 39 bonds to seat an Independent Citizens' Oversight Committee (ICOC) to assure the community that bond funds are expended in the fashion outlined in the district's bond resolution. The ICOC must meet at least once a year and inform the public about the expenditure of bond revenues. The ICOC shall actively review and report on the proper expenditure of taxpayers' money for school construction.

The Independent Citizens' Oversight Committee had the following members as of June 30, 2020:

Name	Title	Representation	
Katherine Kousser	President	Taxpayers' Organization Member	
Laurel Graziano	Vice President	<b>Business Community Member</b>	
Laura Lemos	Member	Community At-Large	
Michael Casey	Member	Senior Citizens' Organization Member	
Jill Epstein	Member	Parent of Child in the District	
Michelle Sahagian	Member	Community At-Large	
Bruce Cameron	Member	Parent of Child in the District	

#### INDEPENDENT AUDITORS' REPORT

Measure JJ Independent Citizens' Oversight Committee and Governing Board Members of the Solana Beach School District Solana Beach, California

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Measure JJ Bond Building Fund of Solana Beach School District (the "District"), as of and for the year ended June 30, 2020, and the related notes to the financial statements, as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Measure JJ Bond Building Fund of Solana Beach School District, as of June 30, 2020, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

348 Olive Street San Diego, CA 92103 0: 619-270-8222 F: 619-260-9085 **christywhite.com** 

#### **Emphasis of Matter**

As discussed in Note 1A, the financial statements present only the Measure JJ Bond Building Fund and do not purport to, and do not present fairly the financial position of the Solana Beach School District, as of June 30, 2020, the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 26, 2021 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters specific to the Measure JJ Bond Building Fund. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Measure JJ Bond Building Fund's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

#### **Report of Other Legal and Regulatory Requirements**

Misty White, Inc.

In accordance with the requirements of Proposition 39, as incorporated in California Constitution Article 13A, we have issued our performance audit dated February 26, 2021, on our consideration of the District's compliance with the requirements of Proposition 39 as it directly relates to the Measure JJ Bond Building Fund. That report is an integral part of our audit of the Measure JJ Bond Building Fund of Solana Beach School District, as of and for the year ended June 30, 2020, and should be considered in assessing the results of our financial audit.

San Diego, California February 26, 2021

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### A. Financial Reporting Entity

The Solana Beach School District (the "District") accounts for its financial transactions in accordance with the policies and procedures of the Department of Education's *California School Accounting Manual*. The accounting policies of the District conform to generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants (AICPA).

An oversight committee to the District's Governing Board and Superintendent, called the Independent Citizens' Oversight Committee (ICOC), was established pursuant to the requirements of state law and the provisions of the Measure JJ bond. The ICOC is required by state law to actively review and report on the proper expenditure of taxpayers' money for school construction. The ICOC provides oversight and advises the public whether the District is spending the Measure JJ bond funds for school capital improvements within the scope of projects outlined in the Measure JJ bond project list. In fulfilling its duties, the ICOC reviews, among other things, the District's annual performance and financial audits of Measure JJ activity.

The statements presented are for the individual Measure JJ Bond Building Fund of the District, consisting of the net construction proceeds of Election of 2016, Series A and Series B, as issued by the District, through the County of San Diego, and are not intended to be a complete presentation of the District's financial position or results of operations. There are no related parties or component units included in this financial statement presentation.

#### B. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied.

The financial statements are presented on the modified accrual basis of accounting. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available. "Available" means the resources will be collectible within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. Generally, "available" means collectible within the current period or within 60 days after year-end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred.

#### C. Cash and Cash Equivalents

The District's cash and cash equivalents consist of cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. Cash equivalents also include cash with county treasury balances for purposes of the statement of cash flows.

#### D. Interfund Balances

Receivables and payables resulting from short-term interfund loans are classified as "Due from other funds/Due to other funds."

#### E. Accrued Liabilities

In general, payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the fund.

#### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND NOTES TO FINANCIAL STATEMENTS, continued JUNE 30, 2020

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### F. Fund Balance

Under GASB Statement No. 54, fund balance is divided into five classifications based primarily on the extent to which the District is bound to observe constraints imposed upon the use of the resources in the governmental funds. The fund balance in Measure JJ is considered restricted.

Restricted - The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

Nonspendable - The nonspendable fund balance classification reflects amounts that are not in spendable form. Examples include inventory, prepaid items, the long-term portion of loans receivable, and nonfinancial assets held for resale. This classification also reflects amounts that are in spendable form but that are legally or contractually required to remain intact, such as the principal of a permanent endowment.

#### G. Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/expenses in the purchaser funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Repayments from funds responsible for particular expenditures/expenses to the funds that initially paid for them are not presented in the financial statements.

#### H. Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

#### I. Budgetary Data

The budgetary process is prescribed by provisions of the California Education Code and requires the governing board to hold a public hearing and adopt an operating budget no later than July 1 of each year. The District governing board satisfied these requirements. The adopted budget is subject to amendment throughout the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption with the legal restriction that expenditures cannot exceed appropriations by major object account.

#### **NOTE 2 - CASH AND INVESTMENTS**

Cash as of June 30, 2020 consisted of \$50,678,915 deposited in the San Diego County Treasury Investment Pool.

#### A. Policies and Practices

The District is authorized under California Government Code to make direct investments in local agency bonds, notes, or warrants within the state; U.S. Treasury instruments; registered state warrants or treasury notes; securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper; certificates of deposit placed with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreements; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security; collateralized mortgage obligations; and the County Investment Pool.

**Investment in County Treasury** – The District maintains substantially all of its cash in the County Treasury in accordance with *Education Code Section* 41001. The San Diego County Treasurer's pooled investments are managed by the County Treasurer who reports on a monthly basis to the board of supervisors. In addition, the function of the County Treasury Oversight Committee is to review and monitor the County's investment policy. The committee membership includes the Treasurer and Tax Collector, the Auditor-Controller, Chief Administrative Officer, Superintendent of Schools Representative, and a public member. The fair value of the District's investment in the pool is based upon the District's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

#### **B.** General Authorizations

Except for investments by trustees of debt proceeds, the authority to invest District funds deposited with the county treasury is delegated to the County Treasurer and Tax Collector. Additional information about the investment policy of the County Treasurer and Tax Collector may be obtained from its website. The table below identifies the investment types permitted by California Government Code.

	Maximum	Maximum	Maximum
Authorized	Remaining	Percentage	Investment
Investment Type	<u>Maturity</u>	of Portfolio	in One Issuer
Local Agency Bonds, Notes, Warrants	5 years	None	None
Registered State Bonds, Notes, Warrants	5 years	None	None

Local Agency Investment Fund (LAIF)	N/A	None	None
Joint Powers Authority Pools	N/A	None	None

#### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND NOTES TO FINANCIAL STATEMENTS, continued JUNE 30, 2020

#### NOTE 2 - CASH AND INVESTMENTS (continued)

#### C. Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The District manages its exposure to interest rate risk by investing in the County Treasury. The District maintains a pooled investment with the County Treasury with a fair value of approximately \$51,385,194 and an amortized book value of \$50,678,915. The average weighted maturity for this pool is 556 days.

#### D. Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The investments in the County Treasury are not required to be rated. As of June 30, 2020, the pooled investments in the County Treasury were rated at least A.

#### E. Fair Value

The District categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy is based on the valuation inputs used to measure an asset's fair value. The following provides a summary of the hierarchy used to measure fair value:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, or other inputs that are observable, either directly or indirectly.

Level 3 - Unobservable inputs should be developed using the best information available under the circumstances, which might include the District's own data. The District should adjust that data if reasonable available information indicates that other market participants would use different data or certain circumstances specific to the District are not available to other market participants.

Uncategorized - Investments in the San Diego County Treasury Investment Pool are not measured using the input levels above because the District's transactions are based on a stable net asset value per share. All contributions and redemptions are transacted at \$1.00 net asset value per share.

The District's fair value measurements at June 30, 2020 were as follows:

	Uncategorized	
Investment in county treasury	\$	51,385,194
Total	\$	51,385,194

#### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND NOTES TO FINANCIAL STATEMENTS, continued JUNE 30, 2020

#### **NOTE 3 – ACCOUNTS RECEIVABLE**

Accounts receivable as of June 30, 2020 consisted of \$212,033 in interest earned on investments in the San Diego County Treasury.

#### **NOTE 4 – INTERFUND TRANSACTIONS**

#### **Operating Transfer**

During the year ended June 30, 2020, the Measure JJ Bond Building Fund received a transfer in the amount of \$63,572 from the Capital Projects Fund for Blended Component Units to reimburse for Solana Sante Fe shade structure project costs from CFD funds.

#### **NOTE 5 – ACCRUED LIABILITIES**

Accrued liabilities at June 30, 2020 consisted of \$2,055,095 in construction-related liabilities.

#### **NOTE 6 – COMMITMENTS AND CONTINGENCIES**

#### A. <u>Litigation</u>

The District is involved in various litigation arising from the normal course of business. In the opinion of management and legal counsel, the disposition of all litigation pending is not expected to have a material adverse effect on the overall financial position of the District at June 30, 2020.

#### **B.** Construction Commitments

As of June 30, 2020, the District had the following commitments with respect to unfinished capital projects:

	Remaining Construction Commitment	
Capital Projects		
Solana Vista Elementary School	\$	33,088,191
Solana Santa Fe Elementary School		13,163,418
Skyline Elementary School		26,422
Total	\$	46,278,031

### OTHER INDEPENDENT AUDITORS' REPORTS

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditors' Report

Measure JJ Independent Citizens' Oversight Committee and Governing Board Members of the Solana Beach School District Solana Beach, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Measure JJ Bond Building Fund of Solana Beach School District (the "District"), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Solana Beach School District's basic financial statements of the Measure JJ Bond Building Fund, and have issued our report thereon dated February 26, 2021.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Solana Beach School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements of the Measure JJ Bond Building Fund, but not for the purpose of expressing an opinion on the effectiveness of Solana Beach School District's internal control. Accordingly, we do not express an opinion on the effectiveness of Solana Beach School District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Solana Beach School District's financial statements of the Measure JJ Bond Building Fund are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

348 Olive Street San Diego, CA 92103 0: 619-270-8222 F: 619-260-9085 **christywhite.com** 

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

San Diego, California February 26, 2021

Christy White, Inc.

#### REPORT ON PERFORMANCE

**Independent Auditors' Report** 

Measure JJ Independent Citizens' Oversight Committee and Governing Board Members of the Solana Beach School District Solana Beach, California

#### **Report on Performance**

We have audited Solana Beach School District's compliance with the performance audit procedures described in the 2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, prescribed in Title 5, California Code of Regulations, section 19810, that could have a direct and material effect on Solana Beach School District's Measure JJ Bond Building Fund for the year ended June 30, 2020, as identified below.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to local school construction bonds.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on compliance of Solana Beach School District's Measure JJ Bond Building Fund based on our performance audit of the types of compliance requirements referred to above. We conducted our performance audit in accordance with generally accepted government auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the 2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, prescribed in Title 5, California Code of Regulations, section 19810. Those standards require that we plan and perform the performance audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. An audit includes examining, on a test basis, evidence about Solana Beach School District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that the evidence obtained in our performance audit provides a reasonable basis for our findings and conclusions based on our audit objectives. However, our audit does not provide a legal determination of Solana Beach School District's compliance with those requirements.

#### **Opinion on Performance**

In our opinion, Solana Beach School District complied, in all material respects, with the types of compliance requirements referred to above that are applicable to the Measure JJ Bond Building Fund noted below for the year ended June 30, 2020.

#### **Procedures Performed**

In connection with the performance audit referred to above, we selected and tested transactions and records to determine Solana Beach School District's compliance with the state laws and regulations applicable to the Financial Audit Procedures and Performance Audit Procedures over the Measure JJ Bond Building Fund. Additional agreed upon procedures relating the Measure JJ Bond Building Fund may also be included.

The results of the procedures performed and the related results are further described in the accompanying audit procedures and results section following this Report on Performance.

San Diego, California February 26, 2021

Christy White, Inc.

## **AUDIT PROCEDURES AND RESULTS SECTION**

#### **SECTION I – FINANCIAL AUDIT PROCEDURES AND RESULTS**

#### **Financial Statements**

As mentioned in the Report on Financial Statements, we have issued an unmodified opinion over the financial statements of the Measure JJ Bond Building Fund as of and for the year ended June 30, 2020.

#### **Internal Control Evaluation**

We tested internal controls over financial reporting and compliance with laws, regulations, or provisions of contracts or agreements and have determined through our inquiry of management and our evaluation of District processes that no significant deficiencies were noted.

#### SECTION II – PERFORMANCE AUDIT PROCEDURES AND RESULTS

#### **Facility Project Expenditures**

We selected a representative sample of expenditures charged to the Measure JJ Bond Building Fund and reviewed supporting documentation to ensure funds were properly expended on specific project(s) listed in the text of the Measure JJ ballot.

We tested approximately \$3.3 million of total expenditures or 92% of current year Measure JJ Bond Building Fund expenditures for validity, allowability and accuracy and concluded that the sampled expenditures were in compliance with the terms of Measure JJ ballot language, the District approved facilities plan, and applicable state laws and regulations.

#### **Personnel Expenditures**

We reviewed salaries and benefits charged to the Measure JJ Bond Building Fund to verify that the personnel expenditures were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General, which concluded that "a school district may use Proposition 39 school bond proceeds to pay the salaries of district employees to the extent they perform administrative oversight work on construction projects authorized by a voter approved bond measure."

There were no personnel costs charged to the Measure JJ Bond Building Fund during the year ended June 30, 2020.

27

#### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND AUDIT PROCEDURES AND RESULTS, continued FOR THE YEAR ENDED JUNE 30, 2020

#### SECTION II - PERFORMANCE AUDIT PROCEDURES AND RESULTS (continued)

#### **Contract Bidding Procedures**

We reviewed a listing of contracts awarded during the year ended June 30, 2020 and selected a sample to ensure that contracts for public projects followed appropriate bidding procedures per applicable Public Contract Code. Additionally, we reviewed overall expenditures by vendor in order to determine if multiple projects under the applicable bidding threshold were identified to suggest any possible bid-splitting.

We reviewed the lease-leaseback agreement awarded to Balfour Beatty for construction services at Solana Santa Fe to assess whether a competitive selection process was followed and found that the District appeared to exercise due diligence and followed the applicable requirements in the selection of the construction manager for this project.

Based on our review of overall expenditures and projects by vendor, no instances or possible indications of bidsplitting were identified. The District appears to be properly reviewing projects and applying appropriate procedures over contract and bidding procedures.

#### **Contract Change Order Procedures**

We reviewed a listing of contracts and change orders during the year ended June 30, 2020 and selected a sample to ensure that change orders were properly approved and in accordance with District policies. This included review of the Erickson-Hall contract amendment for Solana Vista reconstruction services that took place during the year ended June 30, 2020. Additionally, cumulative change orders for any given contract were reviewed to ensure that total change orders did not exceed ten percent of the total original contract. All change orders appear to be properly reviewed and approved by management and the governing board in accordance with District policy.

# SCHEDULE OF FINDINGS AND RECOMMENDATIONS SECTION

#### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND SCHEDULE OF FINDINGS AND RECOMMENDATIONS FOR THE YEAR ENDED JUNE 30, 2020

#### PART I - SUMMARY OF AUDITORS' RESULTS

#### **FINANCIAL STATEMENTS** Type of auditors' report issued Unmodified Internal control over financial reporting: Material weakness(es) identified? No Significant deficiency(ies) identified? None Reported Non-compliance material to the financial statements? No **PERFORMANCE AUDIT** Internal control over financial reporting: Material weakness(es) identified? No Significant deficiency(ies) identified? None Reported Type of auditor's report issued on performance for local school construction bonds: Unmodified

#### **PART II - FINANCIAL STATEMENT FINDINGS**

There were no findings related to the financial statements for the year ended June 30, 2020.

#### **PART III - PERFORMANCE AUDIT FINDINGS**

There were no performance audit findings or recommendations related to the Measure JJ Bond Building Fund for the year ended June 30, 2020.

#### **PART IV - PRIOR AUDIT FINDINGS**

There were no findings and recommendations for the year ended June 30, 2019.

## Measure JJ Independent Citizens Oversight Committee 2019-2020 Annual Report

04/15/2021

Solana Beach School District 309 North Rios Ave. Solana Beach, CA 92075 (858)794-7100

http://www.sbsd.net

Solana Beach School District Superintendent and Board of Education,

The Independent Citizens Oversight Committee (ICOC) of the Solana Beach School District is pleased to present our third annual report. The FY2019-2020 Annual Report covers activity for the period ending June 30, 2020.

Building on the commitment from the voters in November 2016, the District has authority to issue \$105,000,000 in general obligation bonds and has issued a total of \$103,530,000. The cost of issuance through June 2020 was \$1,470,000.

The ICOC wishes to thank the District staff and project management team for their support, their detailed updates and transparency of information, not only to the Committee, but also to the public.

We welcome your questions and comments. You will find ICOC members' e-mail addresses within this report. For more information about Measure JJ and the ICOC, please visit: https://www.sbsd.k12.ca.us/Page/7765

Sincerely,

Katherine Kousser

Katherine Kousser, President Solana Beach School District Independent Citizens Oversight Committee

#### INTRODUCTION

Measure JJ is a \$105 million bond initiative approved by over 55% of District voters in November 2016. The Measure JJ Bond Measure stated that Measure JJ is to "repair and upgrade aging, outdated classrooms, science labs, libraries, and school buildings; restore deteriorating roofs, plumbing, and electrical systems; improve student safety and campus security; and, provide access to education, facilities, science, and technology needed to prepare for high school, college, and careers, and qualify for State grants, shall the Solana Beach School District issue \$105,000,000 in bonds at legal interest rates, annual audits, a citizen's oversight committee, and NO money for administrators' salaries." See "Full Text of Measure" in Exhibit A.

Measure JJ was passed under the rules of California Proposition 39 (passed in November 2000). California Assembly Bill 1908 (executed July 2000) required school districts that passed Proposition 39 bonds appoint an Independent Citizens Oversight Committee (ICOC) "to ensure that funds are spent only on school and classroom improvement and for no other purpose."

The District has completed two issuances of general obligation bonds in the amount of \$105,000,000 for Measure JJ projects. The first issuance in May 2017 yielded \$48,780,000 and the second issuance in March 2019 yielded \$54,750,000 after financing costs.

For additional information about Measure JJ, visit the ICOC page at <a href="https://www.sbsd.net/ICOC">www.sbsd.net/ICOC</a>.

#### INDEPENDENT CITIZENS OVERSIGHT COMMITTEE (ICOC)

At the May 15, 2019 regularly scheduled board meeting, the Board of Education selected seven candidates to serve on the Independent Citizen's Oversight Committee. Members serve staggered two-year terms and not more than three consecutive terms. In June 2021, four ICOC members' terms will expire. The Board solicits applications and traditionally appoints members to new terms at its regular May Board meeting. At the May 21, 2020 meeting, the ICOC selected its officers: President, Vice President and Secretary (performed by the District's Assistant Superintendent, Business Services)

#### **Current ICOC Member Roster**

Jill Epstein, 3<sup>rd</sup> term ending in 2022, original appointment 2017, Community parent/guardian representative, jillepstein@sbsd.net

Katherine Kousser (President), 3<sup>rd</sup> term ending in 2022, original appointment 2017, Taxpayer association representative, katekousser@sbsd.net

Bruce Cameron, 1<sup>st</sup> term ending in 2022, original appointment 2020, Community parent organization representative, brucecameron@sbsd.net

Laurel Graziano (Vice President), 2<sup>nd</sup> term ending in 2021, original appointment 2017, Community business representative, laurelgraziano@sbsd.net

Laura Lemos, 1st term ending 2021, Appointed 2019, Community at-large representative, lauralemos@sbsd.net

Michelle Sahagian, 1st term ending 2021, Appointed 2019, Community at-large representative, michellesahagian@sbsd.net

Michael Casey, 2<sup>nd</sup> term ending 2021, Appointed 2017, Senior Community representative, michaelcasey@sbsd.net

#### Solana Beach School District Board of Education

Vicki King, Esquire, President Dana King, Member Gaylin Allbaugh, Clerk Debra H. Schade, Ph.D., Vice-President Julie Union, Member

#### **District Superintendent**

Jodee Brentlinger

#### **ROLE OF THE ICOC**

The ICOC provides after-the-fact review and monitoring of how the District has spent the Measure JJ bond funds. The ICOC does not have the authority to approve or determine how the bonds funds are spent, the rate of taxes collected, bond financing, or the contracting process (requirements definition, contract modeling and strategy, bid solicitation, contractor or consultant selection, contract negotiations, authorizing contract changes, etc.).

The ICOC is required to advise the public on the District's compliance with the requirements of Article 13A, Section 1(b) (3) of the California Constitution, including:

- Expenditure of bond funds only for the construction, reconstruction, rehabilitation, or replacement of school facilities;
- Prohibition of the expenditure of bond funds for any teacher or administrative salaries or other school operating expenses;
- Obtaining an annual independent performance audit to ensure that bond funds have been expended only on the specific projects listed; and
- Obtaining an annual independent financial audit of the proceeds from the sale of the bonds until all those proceeds have been expended for the school facilities projects.

#### To fulfill its duty, the ICOC will:

- Understand the District's priority setting process for Measure JJ projects.
- Compare the initiative's language with the District's project plans to verify compliance with voter approved Measure JJ improvements.
- Build relationships with District representatives and verify the appropriateness of bond expenditures.
- Ensure that the information is transparent and open to the public.

- Review the annual independent performance and financial audit of Measure JJ funds.
- Remain current on all matters pertaining to the implementation of the Measure JJ projects.

Solana Santa Fe Elementary Modernization & Reconstruction, Construction Planned Spring 2021-Fall 2022

### FINDINGS OF THE INDEPENDENT PERFORMANCE AND FINANCIAL AUDIT

California Senate Bill 1473 (SB 1473), signed September 22, 2010, requires that the financial and performance audits required by Article 13A, Section 1(b)(3)(c) of the California Constitution for bond funds approved under Proposition 39 be conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS), also known as the Yellow Book, issued by the Comptroller General of the United States.

The ICOC, at its March 2021 meeting, reviewed the results of the performance and financial audits prior to their presentation to the Board of Trustees at its regular April Board meeting. The required independent performance audit and independent financial audit for Measure JJ was conducted by Christy White, Inc. (Independent Auditor) for the year ending June 30, 2020. The complete reports are included as EXHIBIT C. This report and all prior audit reports are available on the District's Measure JJ page at http://www.sbsd.net/ICOC.

The Independent Auditor issued an unmodified opinion for the FY2020 financial statements for the Measure JJ Building Fund, with no findings of material weakness or significant deficiency in the District's internal controls over financial reporting and no issues of noncompliance. According to the financial audit, during FY2020, the District recorded \$3,570,774 in facilities acquisition and maintenance expenditures from the Fund. The notes to the audit stated that the Fund had \$50,678,915 in cash deposited in the San Diego County Treasury Investment Pool at the end of FY2020. The audit stated that the District had \$46,278,031 in construction commitments for unfinished projects at Solana Vista, Solana Santa Fe, and Skyline at the end of FY2020.

The performance audit tested 92 percent (about \$3.3 million) of the expenditures in FY2020 from the Measure JJ Building Fund for "validity, allowability and accuracy, and concluded that the sampled expenditures were in compliance with the terms of the Measure JJ ballot language, the District approved facilities plan, and applicable state laws and regulations." The Auditor noted that there were no personnel costs charged to the Fund in FY2020; the District is applying appropriate procedures over contracting and bidding; and all change orders appear to be properly reviewed and approved in accordance with District policy.

### ICOC REVIEW OF THE PERFORMANCE AND FINANCIAL AUDITS

California Senate Bill 581 (SB 581), signed August 12, 2013, requires that independent performance and financial audits for the preceding year be conducted and submitted to the citizens' oversight committee no later than March 31 of each year for its review. SB 581 also requires that the District provide the ICOC with responses, within three months, to any finding, recommendation, or concern addressed in the annual independent performance and financial audits.

The ICOC held a meeting on March 24, 2021, to receive and accept the performance and financial audits of the fiscal year 2019-2020 Measure JJ bonds and ask questions of the Independent Auditor's representative. On the basis of this review, the ICOC accepted the Independent Auditor's financial and performance reports.

### A SUMMARY OF THE ICOC ANNUAL ACTIVITIES

The ICOC meets quarterly. During the first meeting of the year, the District will review the rules of the Brown Act and role of the ICOC for new and continuing members, and the ICOC sets a schedule for the year's meetings. At each meeting, District staff present detailed financial reports and describe the status of ongoing and planned construction projects.

All ICOC meeting dates and agendas are available on the district website: <a href="http://www.sbsd.net/ICOC">http://www.sbsd.net/ICOC</a>. Since April 2020, the ICOC has held four meetings via telephonic/video conference due to Executive Orders in relation to COVID-19 and social gatherings:

Wednesday, June 24, 2020, 6:00 pm

Wednesday, September 16, 2020, 6:00 pm

Wednesday, January 20, 2021, 6:00 pm

Wednesday, March 24, 2021, 6:00 pm

At the invitation of the District, ICOC members also toured the ongoing construction of Solana Vista Elementary School on December 8, 2020 and March 16, 2021.

The ICOC has three subcommittees:

- Annual Report: The three-member subcommittee reviews the audit and prepares the draft annual report for approval by the full committee.
- Programmatic: The two-member subcommittee reviews the District's current projects for appropriate scope and programmatic effectiveness.
- Fiscal: The two-member subcommittee reviews the District's detailed financial records for a small sample of expenses to assess compliance with the requirements of Measure JJ.

### **ICOC FORMS AUDIT SUBCOMMITTEE**

At the January 2021 meeting, the ICOC discussed and recommended to the Board of Trustees to authorize a one-year extension for the contract with the Independent Audit for the ICOC performance and financial audit. The ICOC formed an Audit Subcommittee to assist the District in its selection of the firm(s) to conduct and define the scope of the Measure JJ financial and performance audits of the fiscal year 2020-2021 (to be performed in fiscal year 2021-2022.)

### STATUS OF MEASURE JJ BOND PROJECTS

The following table summarizes the status on June 30, 2020, of the Measure JJ bond projects by school site and reflects the District's priority setting process for Measure JJ projects. The total amount for all projects represents the amount of Measure JJ funds budgeted or spent to-date on these projects.

Measure JJ bond funds are being used to implement the District's Long-Range Facilities Master Plan Goals. The projects listed in the bond measure are comprehensive (see Exhibit A for list). It is possible that not all projects listed in the Measure JJ bond measure will be undertaken using bond funds.

SBSD School Sites <sup>a</sup> & Project(s)	Project Budgets (\$) <sup>b</sup>	Measure JJ Funds Expended thru FY2020	Funds Expended Funds Expended		Project Status as of 6/30/20
Carmel Creek					
Modernization	\$3,059,618	\$0	\$0	\$0	0%
Solana Vista					
Reconstruction	\$40,000,000	\$3,338,474	\$0	\$2,832,969	9%
Shade Structure	\$59,975	\$28,405	\$25,813	\$0	Completed
Solana Santa Fe					
Modernization & Reconstruction	\$21,000,000°	\$282,903	\$0	\$269,650	1%
Shade Structure	\$81,237 <sup>d</sup>	\$17,665	\$63,572	\$0	Completed
Skyline					
Reconstruction	\$44,990,000	\$42,448,309	\$25,000	\$457,973	Completed
Earl Warren Interim Housing	\$817,621	\$728,770	\$0	\$0	Completed
Solana Highlands					
Modernization	\$8,447,488	\$7,917,715	\$42,067	\$0	Completed
Solana Pacific					
Enhancements	\$2,401,144	\$0	\$0	\$0	0%
Solar Canopy	\$1,003,054	\$998,129	\$0	\$0	Completed
TOTALS	\$121,860,137	\$55,760,370	\$156,452	\$3,560,592	

a. No Measure JJ funded projects are currently planned for Solana Ranch.

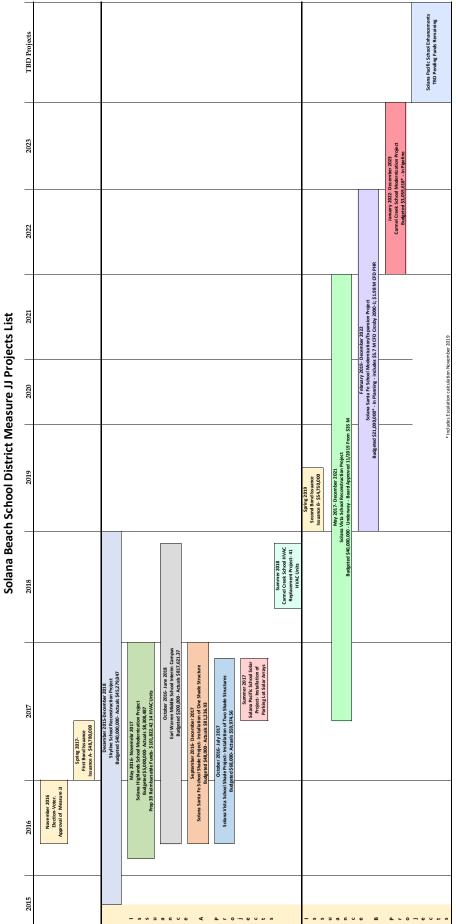

b. Budgeted amounts are for the projects and include non-Measure JJ. State reimbursement funds are not included in the project budgets at this time.

c. Budgeted amount includes approximately  $$9.4\ million$  in Community Facilities District funds.

d. During FY2020, the Measure JJ Fund received a transfer in the amount of \$63,572 from CFD funds to reimburse Solana Santa Fe shade project costs, thus the total cost to the JJ Bond was \$17,665.

# A TIMELINE OF PLANNED PROJECTS

as well as the bond issuances. Included are projects that are fully or partially funded by the Measure JJ bond; other funding sources This timeline shows the chronological order of Measure JJ bond projects, including the budgeted and actual costs of each project, are identified where applicable.

0

2019-2020 Annual Report 40

### DISCUSSION OF MATTERS PERTAINING TO THE IMPLEMENTATION OF MEASURE JJ PROJECTS

### Impact of the COVID 19 Pandemic and Other Factors on School Construction

Following the issuance of the bonds in November 2016 and through March 2020, the cost of school construction has continued to increase. At the October 2018 ICOC meeting, the District presented information on the competitive bidding process, cost of school construction, and cost escalation. The District described the possible impacts of the following factors on the construction costs for Measure JJ funded projects: labor costs; availability of skilled labor; availability materials, and weather.

The COVID pandemic also has potential impacts to current projects. One positive impact of the pandemic was the timeline for the reconstruction of Solana Vista Elementary. Demolition of the site began earlier than scheduled in May 2020, when District facilities were closed to general in-person education. Solana Vista Elementary K-2 students are being provided interim housing at Solana Highlands, and third grade at Skyline, both are elementary schools within the District. The cost of providing transportation for Solana Vista K-2 students to Solana Highlands is funded by Measure JJ and included in the project's budget. The District's construction manager, TELACU also reported to the ICOC that the pandemic has increased lead times to obtain materials and has affected the labor force, however, neither of these factors has resulted in delays to the projected completion dates or budget increases at this time.

### Fall 2020 Transition in the District's Facilities Management Team

In October 2020, the District's long-time Facilities Director retired. The District has transitioned the responsibilities for oversight of Measure JJ bond projects to a Core Facilities Team led by the District's Assistant Superintendent of Business Services; Director of Facilities, Maintenance & Operations; and a Facilities Consultant. The Assistant Superintendent of Business Services serves as the Secretary to the ICOC; all members of the Core Facilities Team and the District's Superintendent provide regular financial and construction status reports at ICOC meetings. New for the reconstruction of Solana Vista Elementary, the District has hired TELACU, a Construction Management company to provide general project oversight. The construction manager participated in briefing the ICOC on the status of the Solana Vista project at the January 2021 ICOC meeting and led the site tours in December 2020 and March 2021.

### **Ongoing District Community Engagement Efforts**

The District regularly reported the results of its community engagement efforts for the Solana Vista and Solana Santa Fe projects. Prior to the commencement of construction at Solana Vista, the District held 13 community engagement meetings and has held 19 meetings to-date regarding the planned Solana Santa Fe projects.

At ICOC meetings, District staff regularly share presentation materials from recent community engagement meetings and the results of discussions among participants. The District also briefed the ICOC on the status of community concerns reported directly to the District regarding the ongoing Solana Vista reconstruction project.

For Skyline Elementary, the District has also helped facilitate community fundraising efforts to support post-construction, ongoing beautification of the campus.

### Plans to Leverage Funds from Other District Sources for Solana Santa Fe Project

The District reported that it plans to leverage funding available from other sources, such as Community Facilities District funds, for the Solana Santa Fe project. This will free up Measure JJ funds for other planned projects. In addition to approximately \$11.6 million in Measure JJ funds, the District plans to use about \$9.4 million from the Pacific Highlands Ranch and Crosby Estate Community Facility District funds.

### **District Efforts for Facilities Planning and Deferred Maintenance**

In support of the District's Long Range Facilities Planning Efforts, the Superintendent has established a Facilities Task Force which meets 2-3 times per year. The Facilities Task Force role is to review the current Long Range Facility plan to discuss and/or make recommendations to update to plan to follow the district's mission, vision and instructional goals. Efforts by the District to meet its deferred maintenance include continued annual contribution from the General Fund of \$500,000.

### **District Certification of Expenses and Prevailing Wage**

Staff reported that the Solana Beach School District strictly adheres to the prevailing wage requirement for all public works projects.

Exhibit D describes the District's prevailing wage policy.

### **District Award from San Diego Taxpayers Association**

In 2018, the District, in collaboration with San Dieguito Union High School District (SDUHSD), won the 2018 Regional Golden Watchdog Award from the San Diego County Taxpayers Association for collaboration on interim housing at SDUHSD's Earl Warren Middle School during the construction of SBSD's Skyline Elementary School.

# SOLANA BEACH SCHOOL DISTRICT

(This Measure will appear on the ballot in the following form.)

### MEASURE JJ

To replace or upgrade aging, outdated classrooms, science labs, libraries, and school restore deteriorating roofs, plumbing, and electrical systems; improve student safety and campus security; and, provide students access to educational facilities, science, and technology needed to prepare for high school, college, and careers, and qualify for State grants, shall School Facilities Improvement District No. 2016-1 of the Solana Beach School District issue \$105,000,000 in bonds at legal interest rates, with annual audits, a citizen's oversight committee, and NO money for administrators' salaries?

Bonds – Yes

Bonds - No

This measure requires approval by 55% of the voters voting on the measure. Full text of this measure follows the arguments and rebuttals.

SCHOOL FACILITIES IMPROVEMENT DISTRICT NO. 2016-1 OF THE SOLANA BEACH SCHOOL DISTRICT BOND ELECTION

# COUNTY COUNSEL IMPARTIAL ANALYSIS

This measure was placed on the ballot by the Solana Beach School District ("District") for the School Facilities Improvement District No. 2016-1 of the Solana Beach School District This measure, if approved by 55% of the votes cast on the measure, will authorize the District to issue and sell \$105,000,000 in general obligation bonds. The sale of these bonds is for the purpose of raising money for the SFID, and represents a debt of the District on behalf of the SFID. In exchange for the money received from the bond holders, the District promises to pay the holders an amount of interest for a certain period of time, and to repay the bonds on the expiration date Voter approval of this measure will also authorize an annual tax to be levied upon the taxable property within the SFID. The purpose of this tax is to generate sufficient revenue to pay interest on the bonds as it becomes due and to provide a fund for payment of the principal on or before maturity Proceeds from the sale of bonds authorized by this measure may be used within the the construction, reconstruction, rehabilitation or replacement of school facilities, including the fumishing and equipping of school facilities, or the acquisition or lease of real for the construction, property for school facilities. SFID

The interest rate on any bond, which is established at the time of bond issuance, could not exceed 12% per annum. The final maturity date of any bond could be no later than 30 years after the date the bonds are issued as determined by the District.

The tax authorized by this measure is consistent with the requirements of the California Constitution. The California Constitution permits property taxes, above the standard one percent (1%) limitation, to be levied upon real property to pay the interest and redemption charges on any bonded indebtedness for, among other things, the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, when approved by 55% of the voters if:

PR-38H0-JJ-1

# COUNTY COUNSEL IMPARTIAL ANALYSIS (CONTINUED)

- the proceeds from the sale of the bonds are used only for the purposes specified,
   the District, by evaluating safety, class size reduction, and information technology
  - needs, has approved a list of specific projects to be funded,
    - (3) the District will conduct an annual, independent performance audit, and
      - (4) the District will conduct an annual, independent financial audit
- If a bond measure is approved, state law requires the District to establish an independent citizens' oversight committee. The District has made this ballot measure subject to these requirements.

Approval of this measure does not guarantee that the proposed projects in the SFID that are the subject of these bonds will be funded beyond the local revenues generated by this

A "YES" vote is a vote in favor of authorizing the District to issue and sell \$105,000,000 in general obligation bonds. A "NO" vote is a vote against authorizing the District to issue and sell \$105,000,000 in general obligation bonds.

# Statement provided pursuant to California Education Code Section 15272:

If this Bond measure is approved, the Solana Beach School District Board of Education will appoint a citizens' oversight committee and conduct annual independent audits to assure that bond funds are spent only on school and classroom improvements and for no other purposes.

### TAX RATE STATEMENT

### SCHOOL FACILITIES IMPROVEMENT DISTRICT NO. 2016-1 General Obligation Bond Election of November 8, 2016 OF THE SOLANA BEACH SCHOOL DISTRICT

As shown on the enclosed official ballot, an election is being held within School Facilities Improvement District No. 2016-1 of the Solana Beach School District ("Improvement District") on November 8, 2016, for the purpose of submitting to the registered voters within the District ("School District"), on behalf of the Improvement District, in an amount not to exceed \$105,000,000 ("2016 Bond Authorization") for the purpose of providing funds for the acquisition, construction and completion of specified school facilities and school projects as set forth in the shall bear interest at a rate, or rates, to be established at such time as the bonds are sold, in one or more series, at interest rates not to exceed the maximum applicable statutory rate for such bonds. If such bonds are authorized and sold, the principal thereof and the interest thereon are a improvement District the question of whether bonds shall be issued by the Solana Beach School resolution of the School District, on behalf of the Improvement District, calling such bond election. This measure will authorize a tax sufficient for interest on, and principal of, the bonds. The bonds general obligation of the School District, on behalf of the Improvement District, payable from the proceeds of ad valorem taxes on real property located within the boundaries of the Improvement The following information is submitted in compliance with California Elections Code Sections 9401 through 9404 based on estimates of assessed valuations available at the time of illing of this statement:

# REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE JJ

Measure JJ's tax increase is unfair to seniors and fixed income property owners.

Measure JJ would give District \$105 million at a cost of \$196 million to taxpayers over decades.

A \$700,000 property can expect \$210 more taxes per year for decades if Measure JJ passes. Worse the estimated highest tax rate of \$30.00 per \$100,000 is not guaranteed. IT COULD BE HIGHER if necessary to pay back this loan from Wall Street!

Solana taxpayers already pay these property taxes:

Countywide Proposition 13 San Dieguito High School Bond 2012 Metropolitan Water District

### STOP TAXING US TO DEATH!

Some facilities need renovation and repair. What are District's priorities? Why won't District give you's specific list guaranteeing in order the specific projects they will build with this loan? District's promised Citizens' Bond Oversight Committee is a toothless tiger. Measure JJ lacks a specific prioritized project list with estimated costs so voters and Citizens' Bond Oversight Committee can measure accountability.

Worse, many bond funded contracts will be handed out without competitive bidding that has historically protected schools from wasted funds, fostered healthy market competition, allowed all qualified bidders a fair opportunity to participate and protected against fraud, favoritism, corruption. Google: Sweetwater school pay to play OR Fresno Leaseback FBI Arax.

Vote NO until these problems are fixed.

www.CalTAN.org

M. KEVIN O'NEILL, President California Taxpayers Action Network

## ARGUMENT AGAINST MEASURE JJ

Don't be a victim of The School Bond Scam! (www.schoolbondscam.org)

News articles and campaign finance disclosures show Wall Streeters, contractors and consultants pay money to pass school bonds for their immediate profit leaving each taxpayer with decades of additional debt. Google: "Local School Bonds: Big Donors Win Big Contracts" OR Orange County Register's "Bankers Push School Bonds for C.A.S.H."

The School Bond Scammers gladly pay to pass bonds anticipating school boards will reward them with inflated no bid contracts in return. Google: Sweetwater school pay to play OR Fresno Leaseback FBI Arax.

Voice of San Diego's August 6, 2012 investigative report revealed Poway School District's "Capital Appreciation Bonds" put their taxpayers on the hook to pay back about \$1 billion for their \$105 million bond. Google: "Thanks a Billion"

California Taxpayers Action Network (www.caltan.org) is not against all school bonds and has supported those (i.e. Walnut Valley Unified School District) that contain proper internal controls to prevent waste and encourage good value for taxpayers.

This bond does not include such taxpayer protections. Contracts can be handed to favored contractors and consultants without regard to price!

Worse, this bond lacks a prioritized Project List with estimated project costs for each and a commitment to build the proposed projects in the promised prioritized order. This bond allows pet

Why does District need another bond so soon after their last one? Did they handout over priced contracts and put in astroturf fields with the last bond instead of making needed classroom

projects to be built instead of necessary ones.

Vote NO until they propose a better bond next election.

California Taxpayers Action Network is a San Diego based all-volunteer, statewide network of taxpayer advocates who promote sound fiscal policies, practices and business methods by government entities for the public's benefit and protection.

PR-38H0-JJ-6

# REBUTTAL TO ARGUMENT AGAINST MEASURE JJ

# Don't be misled by an outsider with a political agenda.

The individual who wrote the argument against Measure JJ doesn't live anywhere near our community and filed the exact same argument against many other school bonds throughout the county, ignoring the facts regarding our local schools.

### Here are the facts:

- Measure ΔL contains strict taxpayer protections. Proceeds from the bond can only be used for construction, reconstruction, modernization or replacement of school facilities. Not one cent can be spent on teacher or administrator salaries. There will be no Poway-style capital appreciation bonds.
- The Solana Beach School District has never before proposed a school bond. Most of the District's schools are more than 20 years old, some as old as 61 years, and in desperate need of facility upgrades.
- The District developed an in-depth project list to ensure taxpayer dollars are being spent where they are most needed. Areas like student safety and security, modern classroom facilities for science, technology, research, engineering, arts, and math (STREAM) will be prioritized.
- Failure to pass Measure JJ risks losing \$20 million in matching state funds. Surrounding districts will put our tax dollars to work, while our local school infrastructure backlog expands.

Measure JJ will improve our local schools, save taxpayers millions by locking in today's low interest rates, and contribute to increased property values. Join parents, teachers, businesses, and community leaders in supporting Measure JJ.

2019-2020 Annual Report

JUNE 30, 2020

SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND INTRODUCTION AND INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE MEMBER LISTING

The Solana Baach School District was established in 1887. The District boundaries include the City of Solana Beach, the City of San Diego, Fairbanks Ranch, Rancho Santa Fe, and portions of Carmel Valley and Pacific Highlands Ranch. The District currently operates one preschool and seven elementary schools.

In November 2016, the voters of Solana Beach School District approved by more than the required 55% favorable vote, Measure JJ, athorizing the issuance and sale of general obligation bonds, not to exceede \$105,000,000, Measure JJ is a Proposition 39 hourd. The passage of Proposition 39 in November 2000 amended the California Constitution to include accountability provisions. Specifically, the District must conduct an amural independent performance audit to ensure that funds have been expended only on the specific projects listed as well as an amural, independent financial audit of the proceeds from the sale of the bonds until all of the proceeds have been expended for facilities projects.

proceeds are to be used to replace or upgrade aging, outdated classrooms, science labs, libraries, and school buildings; restore deteriorating rods, plumbing, and electrical systems; improve student safety and campus security, and provide students access to equational facilities, science, and technology needed to prepare for high school, college, and careers, and quality for State grants. The bonds bear interest at a rate of 2,0% -5,0% and are scheduled In May 2017, the District issued Election of 2016, Series A general obligation bonds totaling \$50,000,000. Bond to mature through August 2046. In March 2019, the District issued Election of 2016, Series B general obligation bonds totaling \$55,000,000. The bonds boar invest at a range of 3,0% - 5,0% - 5,0% and are schooled to mature through August 2041, with the first payment commencing in August 2020, with his issuance, the Distinct has issued the total amount of \$105,000,000 in general obligation bonds authorized under Measure JJ. Proposition 39 requires school districts that pass Proposition 39 bonds to seat an Independent Citizens' Oversight Committee (ICOC) to assure the community that bond funds are expended in the fashion outlined in the district's bond resolution. The ICOC man meet at least once a year and inform the public about the expenditure of bond resolution. CICOC shall advively review and report on the proper expenditure of taxpayers money for school revenues. Measure JJ Independent Citizens' Oversight Committee and Governing Board Members of the Solana Beach School District

Solana Beach, California

### Report on the Financial Statements

We have audited the accompanying financial statements of the Measure JJ Bond Building Fund of Solana Beach School District (the "District"), as of and for the year ended June 30, 2020, and the related notes to the financial statements, as listed in the table of contents,

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accountance principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material missialement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Soverment Auditing Standards*. Those standards require that we plan and perform the audit to obtain responsible assurance about whether the financial statements are free from material.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depond on the auditor's judgment, including the assessment of the risks of material insistatement of the financial statements, whether due to fraud or error, in making those risk assessments. the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial significant accounting estimates made by management, as well as evaluating the overall presentation of the financial We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Measure JJ Bond Building Fund of Solana Beach School District, as of June 30, 2020, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

2019-2020 Annual Report

### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND NOTES TO FINANCIAL STATEMENTS JUNE 30, 2020

# NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Financial Reporting Entity

The Solana Beach School District (the "District") accounts for its financial transactions in accordance with the policies and proadcures of the Department of Education's California School Accounting Manual. The accounting policies of the District conform to generally accepted accounting principles as prescribed by the Governmental Accounting Sandards Board (GASB) and the American Institute of Certified Public Accountants (AICPA).

Oversight Committee (ICOC), was established pursuant to the requirements of state law and the provisions of the Massare JJ Loom or The ICOC is required by state in to actively evide and report on the proper expenditure of taxpasers. In one of The ICOC is provides oversight and advises the public whether the District is spending the Messure JJ bond funds for school capital improvements within the scope of projects outlined in the Messure JJ bond funds for school capital improvements within the scope of projects outlined in the Messure JJ bond project list. In fulfilling its outles, the ICOC reviews, among other things, the District's amnal performance and financial audits of Messure JJ activity. An oversight committee to the District's Governing Board and Superintendent, called the Independent Citizens'

The statements presented are for the individual Measure JJ Bond Building Fund of the District, consisting of the net construction proceeds of Election of 2016, Sheries A and Series, as issued by the District, through the County of San Diego, and are not intended to be a complete presentation of the District's financial position or results of operations. There are no related parties or component units included in this financial statement presentation.

### Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the liming of measurement made, regardless of the measurement focus applied.

The financial statements are presented on the modified accrual basis of accounting. On a modified accrual basis, revenue is recorded in the year in which the reasources are measuratels and become available. "Available" means the resources will be collectable within the current fiscal year or are appeated to be collected soon enough thereafter to be useful to go and the present of the current fiscal year. Generally, "available" means collectible within the current period or within 60 days after year-and. Expenditures are generally, "available" means collectible within the basis of accounting when the related liability is incurred.

### Cash and Cash Equivalents

The District's cash and cash equivalents consist of cash on hand, demand deposits and short-term investments with original markings of three months or less from the date of acquisition. Cash equivalents also include cash with county treasury balances for purposes of the statement of cash flows.

### Interfund Balances

ď

Receivables and payables resulting from short-term interfund loans are classified as "Due from other funds/Due to other funds."

### Accrued Liabilities

In general, payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the fund,

### MEASURE JJ BOND BUILDING FUND NOTES TO FINANCIAL STATEMENTS, continued SOLANA BEACH SCHOOL DISTRICT

# JUNE 30, 2020

### F. Fund Balance

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Under GASB Statement No. 54, fund balance is divided into five classifications based primarily on the extent to Which the District is bound to observe constraints imposed upon the use of the resources in the governmental funds. The fund balance in Massure Jul is considered restricted.

enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

Nonspendable - The nonspendable fund balance classification reflects amounts that are not in spendable form. Examples include mentory, prepaid items, the fond; term portion of loans receivable, and norifinancial assets held for resale. This classification also reflects amounts that are in spendable form but that are legally or contractually required to remain intact, and as the principal of a permanent endownent.

### Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/expenses in the purchase funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as infertured transfers. Repayments from funds responsible for particular expenditures/expenses to the funds that initially paid for them are not presented in the financial statements.

### Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts United States of America requires management and accompanying notes, Actual results may offler from those estimates.

The budgetary process is prescribed by provisions of the California Education Code and requires the governing board to hidd subtile hearing and abody an operating budget in ollater than July 1 of seath, year. The District governing board satisfied these requirements. The adopted budget is subject to amendment throughout the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption with the legal restriction that expenditures cannot exceed appropriations by major object account.

SOLANA BEACH SCHOOL DISTRICT
MEASURE JJ BOND BUILDING FUND
NOTES TO FINANCIAL STATEMENTS, CONTINUED
JUNE 30, 2020

### NOTE 2 - CASH AND INVESTMENTS

Cash as of June 30, 2020 consisted of \$50,678,915 deposited in the San Diego County Treasury Investment Pool

### A. Policies and Practices

The District is authorized under California Government Code to make direct investments in local agency bonds, notes, or warrants within the state. U.S. Treasury instruments, registered state warrants or treasury notes, securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper, certificates of deposit paced with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreements; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security; collateralized mortgage obligations; and the County investment Pool.

Investment in County Treasury – The District maintains substantially all of its cash in the County Treasury in accordance with Education Code Section 41001. The San Dispos County Treasure's pooled investments are managed by the County Treasure who reports on a monthly basis to the board of supervisors. In addition, the intention of the County Treasure who reports on a monthly basis to the board of supervisors. In addition, the function of the County Treasury Oversight Committee is to review and montion the County Treasury Oversight Committee is to review and monthly of the Auditor-Controller. Chief Districts investment in the pool is based upon the District's pro-east share of the fair value provided by the County Treasurer for the entitle of the District's pro-east share of the provided by the County Treasurer for the entitle of the amortized cost of that particlio). The balance available for windfavaal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

### General Authorizations

Except for investments by trustees of debt proceeds, the authority to invest District funds deposited with the county treasury is delegated to the County Treasurer and Tax Collector, Additional information about the investment policy of the County Treasurer and Tax Collector may be obtained from its website. The table below identifies the investment by the persential of Zellifornia Government Codes.

### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND OTGES TO FINANCIAL STATEMENTS, continued JUNE 30, 2020

### C. Interest Rate Risk

NOTE 2 - CASH AND INVESTMENTS (continued)

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment, degenerally, the fourther maturity of an investment, the greater the sensitivity of rits fair value to changes in market interest rates. The District manages is exposure to inferest rate risk by investing in the County Treasury. The District manages a pooled investment with the County Treasury with a fair value of approximately \$51,385,194 and an amortized book value of \$50,679,915. The average weighted maturity for this pool is \$56 days.

### D. Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. It is measured by the assignment of a rating by a nationally recognized statistical rating organization. The investments in the County Trassury are not required to be rated. As of June 30, 2020, the pooled investments in the County Trassury were rated at least A.

### Fair Value

The District categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy is based on the valuation inputs used to measure st fair value. The following provides a summary of the hierarchy used to measure fair value:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets in active markets, quoded prices for similar assets in markets that are not active, or other inputs that are observable, either directly or indirectly or indirectly or indirectly or indirectly or indirectly.

Level 3 - Unobservable inputs should be developed using the best information available under the circumstances, the control might include the Distinct's own data. The Distinct should adjust that data if reasonable available information indicates that other market participants would use different data or certain circumstances specific to the District are not available to other market participants. Uncategorized - Investments in the San Diego County Treasury Investment Pool are not measured using the input levels above because the District's transactions are based on a stable not asset value per share, All contributions and redemptions are transacted at \$1.00 not asset value per share,

The District's fair value measurements at June 30, 2020 were as follows:

Ollcategol Lead	\$ 51,385,194	\$ 51,385,194	
	Investment in county treasury	Total

Purpose of this Report

# REPORT ON INTERNAL COUITROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with covernment Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any

Christy White, Inc.

San Diego, California February 26, 2021

### Independent Auditors' Report

Measure JJ Independent Citizens' Oversight Committee and Governing Board Members of the Golann Beach School District Solann Beach, California Solann Beach, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicated is planted in faminal audits contained in Covermental Auditing Standards issued by the Comprolled Connect of the United States, the faminals statements of the Measure a UB cond Building Fund of Solana Beach School District (the "District"), as of and for the year ended Jun 30, 2020, and the related motes to the financial statements, which collectively comprise the Solana Beach School District's basic financial statements of the Measure JJ Bond Bond Building Fund, and have issued our report thereon dated February 26, 2021.

### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Solana Beach School District's intend to cortol over their place place in the control over their are appropriate in the circumstances from their posteries of expressing our opinions on the financial statements of the Measure JJ Bond Building Fund, but not for the purpose of expressing our opinion on the effectiveness of Solana Beach School District's internal control. Accordingly, we do not express an opinion on the effectiveness of Solana Beach School District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or of detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to ment attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be marerial weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Solana Beach School District's financial statements of the Measure. J Bond Bluding Fund are five from material misstleament, we performed tests of its compliance with certain provisions of laws, regulations, confracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion no compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our trests disclosed no instances of noncompliance or other matters that are required to be reported under Government. Auditing Standards.

### SOLANA BEACH SCHOOL DISTRICT MEASURE JJ BOND BUILDING FUND AUDIT PROCEDURES AND RESULTS FOR THE YEAR ENDED JUNE 30, 2020

SECTION I - FINANCIAL AUDIT PROCEDURES AND RESULTS

## As mentioned in the Report on Financial Statements, we have issued an unmodified opinion over the financial statements of the Measure JJ Bond Bulding Fund as of and for the year ended June 30, 2020. Financia Statements

### Internal Control Evaluation

We tested internal controls over financial reporting and compliance with laws, regulations, or provisions of contracts or agreements and have determined through our inquiry of management and our evaluation of District processes that no significant deficiencies were noted.

# SECTION II - PERFORMANCE AUDIT PROCEDURES AND RESULTS

**AUDIT PROCEDURES AND RESULTS SECTION** 

### Facility Project Expenditures

We selected a representative sample of expenditures charged to the Measure JJ Bond Building Fund and reviewed Measured JD bellot. Measure funds were properly expended on specific project(s) listed in the text of the Measure JJ bellot.

We tested approximately \$3.3 million of total expenditures or 92% of current year Measure JJ Bond Building Fund expenditures for validity, allowability and accuracy and concluded that the sampled expenditures were in compliance with the terms of Measure JJ ballot language, the District approved facilities plan, and applicable state laws and weptlations.

### Personne Expenditures

We reviewed salaries and benefits charged to the Measure JJ Bond Building Fund to verify that the personnel expenditures were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney descrief which conducted that "a school district may use Proposition 39 school bond proceeds to pay the salaries of district employees to the extent they perform administrative oversight work on construction projects authorized by a voter approved bond measure."

There were no personnel costs charged to the Measure JJ Bond Building Fund during the year ended June 30, 2020.

The previous Report on Performance is an integral part of the above performance audit results.

SOLANA BEACH SCHOOL DISTRICT
MEASURE JA BOND BULDING THUND
AUDIT PROCEDURES AND RESULTS, continued
FOR THE YEAR ENDED JUNE 30, 2020

# SECTION II - PERFORMANCE AUDIT PROCEDURES AND RESULTS (continued)

### Contract Bidding Procedures

We reviewed a listing of contracts awarded during the year ended June 30, 2020 and selected a sample to ensure that contracts for public projects followed appropriate bidding procedures per applicable Public Contract Code. Additionally, we reviewed overall expenditures by vendor in order to determine if multiple projects under the applicable bidding threshold were identified to suggest any possible bid-splitting.

We reviewed the lease-leaseback agreement awarded to Balfour Beatty for construction services at Solana Starta Fe It assess whether a competitive selection process was followed and found that the District appeared to exercise due difference and followed the applicable requirements in the selection of the construction manager for this project.

Based on our review of overall expenditures and projects by vendor, no instances or possible indications of bid-biding were identified. The District appears to be properly reviewing projects and applying appropriate procedures over contract and bidding procedures.

We reviewed a listing of contracts and change orders during the year ended June 30, 2020 and selected a sample to ensure that change orders were properly approved and in accordance with District policies. This included review of the Erickson-Hall contract amendment for Solam Vista reconstruction services that took place during the year ended June 30, 2020, Additionally, cumulative change orders for any given contract were reviewed to ensure that total change orders during orders careful to the property reviewed and approved by ranaigement and the governing load indirect. All change orders appear to be properly reviewed and approved by ranaigement and the governing load in accordance with District policy. Contract Change Order Procedures

District Certification of Expenses and Prevailing Wage

All workers employed on public works projects must be paid the prevailing wage determined by the Director of the Department of Industrial Relations, according to the type of work and location of the project. The prevailing wage rates are usually based on rates specified in collective bargaining agreements.

Public works in general means:

- Construction, alteration, demolition, installation, or repair work done under contract and paid in whole or in part out of public funds.
- It can include preconstruction and post-construction activities related to a public works project.
- For a full definition of public works refer to Labor Code section 1720.

Exception: Project inspectors approved by the Division of State Architect (DSA) are subject to registration; however, there is no craft that claims this work, and prevailing wages are not required for DSA-approved project inspectors on Public Works.

Solana Beach School District strictly adheres to the prevailing wage requirement for all public works projects.

	MEETING DATE: 3/24/2021
ITEM:	AGENDA ITEM: 9C.
Measure JJ financial reports on current projects	☐ Action ☐ Consent ☐ First Reading ☑ Information ☐ Presentation ☐ Public Hearing ☐ Roll Call Vote Required ☐ Report
RECOMMENDATION:  For information and discussion only.	
Tor information and discussion only.	
DESCRIPTION:	
Solana Beach School District staff will present information on current pr	ojects including:
Consolidated Project Cashflows;	
<ul> <li>Solana Vista School</li> <li>Project Aging</li> <li>Budget Status Report</li> <li>Consolidated Contract Summary</li> </ul> Solana Santa Fe School <ul> <li>Project Aging</li> <li>Budget Status Report</li> <li>Consolidated Contract Summary</li> </ul>	
FISCAL IMPACT:	
MOVED BY: SECONDED BY:

Consolidated Contract Summary

**MEETING DATE: 3/24/2021** 

ITEM: AGEND	DA ITEM: 9D.
Information regarding soliciting Independent Citizens' Oversight Committee (ICOC) members for terms expiring in June 2021	☐ Action ☐ Consent ☐ First Reading ☑ Information ☐ Presentation ☐ Public Hearing ☐ Roll Call Vote Required ☐ Report

### **RECOMMENDATION:**

For information and discussion only.

### **DESCRIPTION:**

In February 2021, the District solicited member applications for four ICOC member terms that will expire in June 2021 within three categories representing the following positions:

- 1) Community business representative
- 2) Community at-large representative (two representatives)
- 3) Senior community representative

Application submissions were due March 19, 2021, with interviews to follow in April 2021. Member appointments will be considered at the regularly scheduled Solana Beach School District Board of Education meeting on May 20, 2021. The Solana Beach School District's approved appointments will be recognized at the ICOC regularly scheduled meeting on June 23, 2021.
