

The background is a solid teal color. It features several hanging light bulbs of various styles and colors (yellow, purple, green, white) with black outlines. Some bulbs are glowing with a soft circular light. There are also several small, white, starburst-like icons scattered throughout the scene. The text is centered in the lower half of the image.

## \* VOICES OF STAFF

"Feel inspired to provide opportunities for student discovery."

"I know there is a lot of work to be done and I'm grateful to work in a district that recognizes and values this work."

"I love that our mission/vision is student centered and takes into consideration unique voices and how those will change the world."

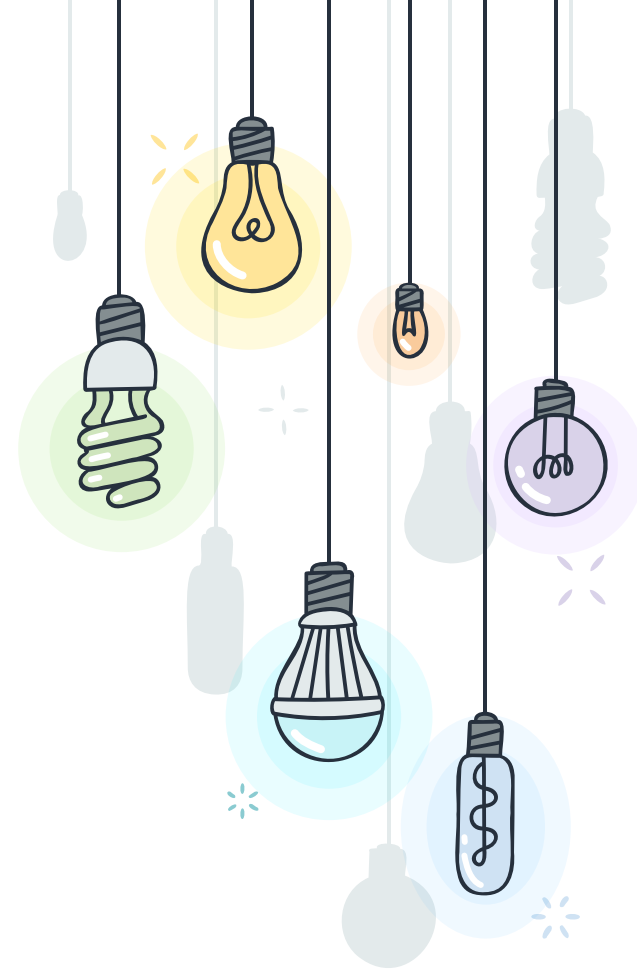

"I loved the sharing activities with our table groups about what our personal journeys as a teacher will be. It's been nice to talk a little about concerns and goals- made me feel like I wasn't alone!"

"It is important to make time to allow students to find their gifts and share their gifts with their peers and teachers."
