2021-22 Proposed Health and Safety Measures

(**Utilize** CDPH Framework for Reopening Schools)*

1. Facial covering required for all staff and all students indoors; facial coverings are optional outside
2. Healthy hygiene breaks
3. Maintain existing *increased* cleaning and disinfecting
4. Sufficient ventilation
 - a. Maintain increased outdoor air into classrooms
 - b. MERV 13 HVAC filters
5. Continue outdoor learning activities
6. **Passive** daily staff and student symptom and exposure checks
7. Asymptomatic, symptomatic and response COVID-19 testing
8. Quarantine timelines
9. Internal (district nurses) and external (county health department) contact tracing

Other 2021-22 Proposed SBSD Health & Safety Measures

1. Stable groupings will be expanded
 - Continues to support contact tracing
2. All employees offered access to N95 masks and eye protection
3. Voluntary vaccinations
 - Students when available (*emergency use approval not expected until the end of 2021 at the earliest per SDCOE*)

Proposed Onsite Staffing & Class Configurations

Continue to prioritize students and staff with health and safety mitigation measures by:

- For **2021-22 ONLY**, as a pandemic safety measure, onsite class sizes are, *whenever possible*, configured at:
 - **K-3 20:1**
 - **4-6 25:1**
- Principal determines class size based on*:
 - 1) maximizing health and safety,
 - 2) minimizing combination classes, and
 - 3) preventing families from having to enroll children into multiple schools
- Return to collective bargaining agreement class sizes in 2022-23
 - **K-3 24:1**
 - **4-6 28:1**

Current Considerations for Testing

1. Current case rate for San Diego County - 7.6 per 100,000 (7-21-21)
2. Current case rate for Solana Beach - 6.1 per 100,000 (7-21-21)
3. Zero in-school transmissions of the virus during 2020-21 due to implementing multiple mitigation measures

2021-22 COVID-19 Testing Recommendation

- 1. Enroll in California K-12 Testing Program**
 - Abbott Binax NOW Rapid Antigen Test (Surveillance Testing)
 - Cue Point-of-Care Molecular Test (Symptomatic and Response Testing)
- 2. Eight-week asymptomatic surveillance testing cadence (Aug 16 - Oct 8)**
 - *Voluntary* for Staff and Students
- 3. Symptomatic Testing and Response Testing (August 2021 - June 2022)**
 - Symptomatic Testing in Health Offices at School Sites as needed
 - Pursuing contract w/ UC San Diego Health for Staff as needed
- 4. Status Update at October 14 Governing Board Meeting**

Sample Asymptomatic Surveillance Schedule

Monday	Tuesday	Wednesday	Thursday	Friday
8:00 AM Skyline	8:00 AM Solana Pacific	8:00 AM Solana Santa Fe	8:00 AM Solana Ranch	No Testing
2:45 PM Solana Highlands	2:45 PM Solana Vista		2:45 PM Carmel Creek	

45-minute weekly clinics at each school site

Clinic Participants: District Nurse, Health Clerk/LVN, and one to two additional classified employees

Vaccination Clinic(s) Update

- District will submit a request to host vaccination clinics on SBSD facilities when majority of SBSD students become eligible (under age 12).

CA Digital COVID-19 Vaccine Record

- CA Digital Vaccine Record enables registrants to manage their personal vaccination record (voluntary enrollment)
- The District will share registration information with staff and families

Summary of Staff Recommendations

1. Provide school sites class size flexibility.
2. Administer voluntary asymptomatic surveillance testing for both staff and students for an 8-week testing cycle with status update at the October 14, 2021 Board meeting.
3. Administer voluntary symptomatic/response testing for students and staff for the entire 2021-22 school year.
4. Host SBSD vaccination clinics for students, staff, and families during the 2021-22 school year when a vaccine is available to our eligible student population.
5. Provide SBSD staff and families information to voluntarily enroll in the California Digital COVID-19 Vaccine Record.
