

The purpose of the Peaceful Playground Program is to introduce children and school staff to the many choices of activities available on playgrounds and field areas.

The playground is an essential part of any school and every community.

Children spend many hours of their day occupying themselves with what the playground has to offer.

The nearby neighborhood may enjoy both its appearance and its utility.

Well marked game activities provide increased motivation for children to enter into an activity and become engaged in purposeful play, thus cutting down on playground confrontations.
