

Solana Beach School District Parent Workshop

Parenting the Love and Logic Way: A six-session parenting program designed by the Love and Logic Institute

**Would you like to feel more confident as a parent?
Would you like to have more fun parenting?
Would you like to feel more relaxed at the end of the day?**

Get the answers to many day-to-day frustrations with a brief introduction to the *Parenting the Love and Logic Way Curriculum*:

- “How can I stop my children from bickering and fighting?”
- “How do I get my children to help with the chores without an argument?”
- “How do I get my children to stop spitting peas and whining at dinner?”
- “How do I help increase the odds of my child becoming a respectful, responsible problem solver who will be ready to face the world without me someday?”
