Description:

What apps are on your child's phone? What social media are they using? What age should a child have a smartphone? Digital technology is an excellent tool to make and enhance social relationships, however, it can also expose our children to risk.

Topics discussed:

- Current apps kids are using and what you need to know about them
- Risks associated with popular social media sites
- "Sexting" and online predators
- How to set expectations and consequences
- How to monitor online activity and find secret Instagram accounts
- How to talk to your child about pornography
- Parental controls and privacy settings

About your instructor:

Clayton Cranford is a law enforcement professional and one of the nation's leading educators on social media and behavioral threat assessments. He is the author of *Parenting in the Digital World* and winner of the National Bullying Prevention Award.
