CHILD NUTRITION WORKER

DEPARTMENT/SITE: CHILD NUTRITION SERVICES

SALARY SCHEDULE: Classified Salary Schedule
(Group 1/Group 15)

LEVEL: Range 23

WORK YEAR: 10 Months

REPORTS TO: CHILD NUTRITION SERVICES SITE
LEAD

DATE CURRENT JOB DESCRIPTION APPROVED:

Board of Education effective: 10/10/2024

JOB GOAL/PURPOSE:

Under the supervision and direction of the Child Nutrition Services Site Lead, incumbents in this classification perform a variety of routine nutrition service activities relating to the preparation and serving of food items to students in an assigned school site cafeteria, according to established procedures; maintains nutrition service utensils, facilities and serving areas in a safe and sanitary manner; and performs other related duties as assigned. The incumbents in this classification provide the school community with nutritious meals which directly supports student learning.

DISTINGUISHING CHARACTERISTICS

The Child Nutrition Worker classification is the entry-level classification in the child nutrition series. Incumbents are required to assist in the food preparation, serve hot and cold food to students and perform cashiering duties.

The Child Nutrition Services Site Lead incumbents are responsible for leading Child Nutrition Workers; daily cash reporting and menu production; monitoring proper food inventories and orders; assisting in the setup of serving areas; ensuring a clean, safe and sanitary food service facility.

The Child Nutrition Services Coordinator assists the Director in all aspects of the efficient operation and oversight of the nutrition services program for all school sites; trains and supervises staff in absence of Child Nutrition Services Site Leads.

ESSENTIAL FUNCTIONS, TASKS AND DUTIES:

- Serve attractive and nutritious meals to students according to district, and federal food safety, sanitation, and quality standards.
- Prepare food items such as fruits, vegetables, sandwiches, salads and main dishes by combining proper ingredients, cutting and slicing fresh foods, counting food items, heating foods and related activities.

- Set up serving equipment, trays and plates, and up serving areas with prepared foods; place food in hot containers; monitor food temperatures and make corrective adjustments, as necessary.
- Serve as a cashier by operating point-of-sale (POS) software to calculate and account for lunch costs including a-la-carte items for students while ensuring that proper meal requirements are being met.
- Participate in processing the receipt, stocking, re-stocking and storage of daily school food and supply orders received from the central kitchen and outside vendors; pulls daily stock needed and re-stock for the following day.
- Stock and re-stock serving lines; condiments, napkins and silverware trays as needed; check expiration dates on food items.
- Perform post-lunch cleaning and next-day preparation such as checking for and removing fallen food or trash on the ground, disposing of left-over food, preparing sinks and proper cleaners and sanitizers, and washing trays, pots, pans and utensils, and re-stocking after cleaning.
- Clean and sanitize all workstations and all equipment; maintain storeroom area in clean and safe condition.
- Operate a variety of kitchen equipment, appliances and supplies such as slicers, can openers, mixers, stoves and dishwasher.
- Interact with and respond appropriately to students, staff and the public.
- Perform other functions, duties and tasks related to this class as assigned.
