DISTRICT RIGHTS

- 8.1 It is understood and agreed that SBSB retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in, but not limited to, those duties and powers are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operations, determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency. In addition, the Board retains the right to hire, classify, assign, transfer, evaluate, promote, terminate, and discipline employees.
- 8.2 The exercise of the foregoing powers, rights, authority, duties, and responsibilities by SBSB, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, or any other written agreement reached between the Association and the Board, and then only to the extent such specific and express terms are in conformance with law.
- 8.3 SBSB retains its right to amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency. The declaration of an emergency (as defined herein) and consequent action by the Board shall not be subject to the grievance procedure. Emergency shall be defined as a natural disaster, national emergency, epidemic, force majeure, or similar catastrophe.
- 8.4 Any dispute arising out of, or in any way connected with the existence of or the exercise of any of the above-described rights of SBSB, is not subject to the grievance provisions set forth in Article 10, unless the dispute is otherwise grievable under another Article of the Agreement.

Article 9

- 9.1 The Board and its agents and the Association and its agents agree not to unlawfully discriminate against any unit member on the basis of race, sex, age, color, creed, national origin, political affiliation, domicile, marital status, physical handicap, membership status in an employee organization or participation in the activities of an employee organization.
- 9.2 The Board and the Association agree that the provisions of the Agreement shall not be implemented in an arbitrary, capricious or discriminatory manner.
- 9.3 A teacher's resignation shall remain revocable until such time as the Board of Trustees officially takes action on said resignation.

Article 10

GRIEVANCE PROCEDURE

10.1 Definitions

- 10.1.1 A “grievance” shall mean an alleged violation, misapplication, or misinterpretation of a specific provision of this Agreement which adversely affects the grievant. This Grievance Procedure shall not be used to challenge or change policies, regulations, or procedures of SBSB which are not included in or related to this Agreement; nor shall the Grievance Procedure be used for other matters for which specific methods of review are provided by law, or District policies, rules, or regulations. Matters pertaining to unit member discipline shall be processed in accordance with the provision of Article 15 – Discipline and shall be excluded from consideration under the grievance procedure.
- 10.1.2 A “grievant” shall mean a bargaining unit member. In case of multiple grievance claims on the same issue, the Association may elect to process a grievance on behalf of the multiple grievants.
- 10.1.3 A “conferee” shall mean any one Association representative selected by the grievant to assist the bargaining unit member. An immediate Administrator with whom a grievance is filed may also choose a representative in processing grievances. A grievant shall have the right to Association representation at any level of this procedure.
- 10.1.4 “Association” shall mean the employee organization recognized by the Board of Trustees as the exclusive representative for the unit of employees covered by this Agreement.
- 10.1.5 “Day” shall mean any day in which the bargaining unit member is required to render service.
- 10.1.6 “Immediate Administrator” shall be the first level administrator having immediate jurisdiction over the grievant, and who has been designated to adjust grievances.

- 10.1.7 A “Grievance Form” shall mean a form for filing grievances prepared jointly by SBSD and the Association. The form shall be available for use by the Association and all unit members.
- 10.1.8 “Mediator” shall mean a member of the California State Conciliation Service, or any other individual mutually agreeable to the Association and SBSD, who shall work informally with the parties in an attempt to facilitate a bilaterally acceptable resolution to the grievance.

10.2 General Provisions

- 10.2.1 The purpose of the Procedure is to attempt to secure equitable solutions to grievances. All parties agree that these proceedings will be kept confidential, and that the grievant and immediate Administrator should attempt to resolve the grievance at the Informal Level.
- 10.2.2 The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities subject to the final decision of the grievance. In the event the alleged grievance involves an order, requirement, or other directive, the grievant shall fulfill or carry out such order, requirement, or other directive, pending the final decision of the grievance; but upon request of the grievant, the immediate Administrator shall place the order, requirement or directive in writing.
- 10.2.3 Nothing contained herein will be construed as limiting the right of any grievant to discuss a grievance informally with the employees’ immediate administrator, or to have the grievance adjusted without intervention of the Association, provided that the adjustment is not inconsistent with the terms of this Agreement. Any proposed resolution at Levels I or II shall not be agreed upon by SBSD until the Association has been provided a copy, and allowed an opportunity to respond either in writing, or in a conference, or both, with the appropriate Administrator. In instances of a grievance processed without the intervention of the Association, five (5) days of additional time shall be added to each of the time limits for District response provided for in Levels I and II of this Procedure.

- 10.2.4 The filing of a grievance shall not reflect unfavorably upon the grievant.
- 10.2.5 The grievant or Association and immediate supervisor shall have the right to include in the grievance hearings such witnesses as they deem necessary to develop facts pertinent to the grievance. These names shall be made available to both parties upon request. Such witnesses shall be in addition to the conferee that either party may select.
- 10.2.6 Once a grievance arising from a particular incident or circumstance has been resolved, another grievance based on that particular incident may not be filed.
- 10.2.7 A grievant who fails to comply with the time limits established in this Procedure shall forfeit all rights to apply the Grievance Procedure for the alleged contract violations.
- 10.2.8 Except upon mutual agreement of the grievant, the Association and SBSB, a grievance still in process at the end of the school year in which filed, shall be continued at the start of the following school year.
- 10.2.9 SBSB shall provide the Association with reasonable release time for purposes for processing grievances. Grievance meetings normally will be scheduled by SBSB and the Association so as not to conflict with classroom duties.
- 10.2.10 The time limits described in this Article may be extended or modified upon the mutual agreement of the parties.
- 10.2.11 If an alleged violation involves both a grievance, as defined in this Article, and an unfair practice charge, as defined in the Educational Employment Relations Act, the grievance machinery of the Article shall be exhausted prior to the filing of the unfair practice charge.
- 10.2.12 No reprisals of any kind shall be taken against any unit member because of participation in the Grievance Procedure in accordance with the terms of this Article
- 10.2.13 All records dealing with the processing of grievances shall be filed separately from the personnel files of the participants.

10.3 Informal Level

- 10.3.1 A bargaining unit member, and/or an Association representative, shall meet with the immediate Administrator to discuss the potential grievance in an attempt to resolve it informally. Either the unit member or the immediate Administrator may bring a conferee to this informal meeting.
- 10.3.2 If the potential grievance is not resolved at this level, the bargaining unit member may proceed to Level I.

10.4 Level I

- 10.4.1 Within fifteen (15) days of the occurrence, or within fifteen (15) days of when the unit member could reasonably have known of the occurrence of the act or omission giving rise to the grievance, the grievant, or the Association acting on behalf of the grievant, must present their grievance in writing on grievance form to the immediate Administrator.
- 10.4.2 The grievant shall provide, on SBSDD form, a clear and concise statement of the grievance, identifying the specific provision(s) of this agreement alleged to have been violated, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought.
- 10.4.3 The immediate Administrator shall communicate a decision to the Association and the grievant in writing within ten (10) days after receiving the grievance.
- 10.4.4 If the Administrator does not respond within the time limits, the Association or the grievant may appeal to the next level. Within the foregoing time limits, either party may request a personal conference to discuss the grievance. Either the grievant or the immediate Administrator may have a conferee present at such a conference.

10.5 Level II

- 10.5.1 In the event that the grievant is not satisfied with the decision at Level I, the Association may appeal the decision in writing on the grievance form to the Superintendent, or their designee, within ten (10) days.
- 10.5.2 The written appeal statement should include a copy of the original grievance, the decision rendered at a previous Level I, and a clear and concise statement of the reasons for the appeal.

10.5.3 The Superintendent shall communicate the decision within ten (10) days after receiving the appeal. Either the Association acting on behalf of the grievant or the Superintendent may request a personal conference within the foregoing time limits to discuss the grievance. Either party may have a conferee present at such conference.

10.5.4 If the Superintendent, or their designee, does not respond within the time limits, or in the event the grievant is not satisfied with the decision at Level II, the grievant may, within ten (10) days of the response, or within fifteen (15) days in the event of no response, submit a written request for Level III mediation of the grievance. SBSD shall, within ten (10) days of receipt of the request, submit to the California State Mediation and Conciliation Service a written request for the immediate services of a mediator.

10.6 Level III – Mediation Procedure

10.6.1 In the event that the Association is not satisfied with the decision at Level II, within ten (10) days thereafter, it may request the informal assistance of a mediator through the California State Mediation and Conciliation Service by submitting a written request for such assistance to the Superintendent. Said request shall be honored by SBSD.

10.6.2 The mediator shall not have the authority to make a written or public recommendation regarding the grievance resolution. Rather, the mediator shall assist the parties to achieve a mutually satisfactory resolution of the grievance.

10.7 Level IV – Board of Trustees

10.7.1 If mediation does not result in the resolution of the grievance, the grievant may submit a written appeal of the grievance to the Board of Trustees within ten (10) days. This written appeal shall include a copy of the original grievance, the decisions rendered at prior levels, and a clear, concise statement of the reasons for the appeal. The Board shall conduct such review, hearings, and investigations, as it deems necessary for the grievance appeal and shall render a final decision on the matter within twenty (20) days after the Board has completed its deliberation regarding the grievance appeal. The decision of the Board of Trustees shall be final.

Article 11

WORKDAY AND WORK YEAR

- 11.1 Except as modified herein, the workday for bargaining unit members shall be 7 1/2 hours per day, which is 37 1/2 hours per week of school-based or related District service, including a duty-free lunch period of 45 minutes. The unit member workday shall be structured and directed by the immediate Administrator in conformance with this Article. Unit members may be required, on an equitable basis, to provide lunch-duty supervision of students for any portion of the teacher lunch period described herein that exceeds 35 minutes.
 - 11.1.1 Except on days of prior scheduled faculty and program meetings, and/or modified days, the unit member workday shall begin no later than 30 minutes before the unit member's regularly scheduled student start time (e.g. start bell) and shall conclude no sooner than 25 minutes after student end time (e.g. dismissal bell). Unit members holding alternative instructional assignments or schedules will clarify their workday hours with their administrator.
- 11.2 In addition to the basic workday described in item 11.1 above, unit members may be required by SBSD to perform adjunct duties associated with the education profession such as 6th grade camp, Family-Teacher Conferences, and other school and SBSD-related activities.
 - 11.2.1 Additional adjunct duties may be required by SBSD provided the following guidelines are not violated:
 - 11.2.1.1 SBSD shall have the right to assign any unit member to serve on one (1) SBSD committee per school year. SBSD committees shall be defined as those dealing with activities and topics that involve more than one school, other than general or Professional Learning meetings involving more than one school. The purpose and outcomes of each SBSD committee will include opportunities for the collection of unit member input and/or decision-making.
 - 11.2.1.1.1 A unit member's required attendance at said SBSD Committee meetings shall not exceed twenty (20) hours per year.

- 11.2.1.1.2 In order to assist with Committee Membership selection, each year SBSD will provide the following proposed information: purpose and outcomes, committees/responsibilities, and timeline.
- 11.2.1.1.3 Unless committee membership is directly related to a unit member's job assignment, District-wide Committee membership shall first be filled voluntarily by unit members. All unit members will first volunteer or be assigned prior to unit members joining additional committees.
- 11.2.1.1.4 Unless committee membership is directly related to a unit member's job assignment, a teacher in their first year or second year of California Teacher Induction (CTI) shall count CTI as their committee service.
- 11.2.1.1.5 If said committee meetings are held outside SBSD boundaries, unit members may claim mileage reimbursements for any distances driven outside SBSD boundaries.
- 11.2.1.1.6 Unit members who attend a specific committee in excess of 10 hours outside of the contracted workday shall be paid at the Task Force rate of pay.
- 11.2.1.2 For the purposes of this section, Site Committees will be defined as those dealing with activities and topics specific to one site or staff that are not directly overseen by a district-level administrator.
- 11.2.1.3 In addition to the basic workday described in item 11.1 above, unit members may be asked to voluntarily participate in a Task Force(s). Task Forces are defined as a convening of educational partners to complete specific

projects, planning, and topics for a limited and specified amount of time and overseen by a district/sites administrator. Voluntary Task Force participation is in addition to adjunct committee membership and is paid at the Task Force Rate of pay specified in Article 20, when conducted outside the workday.

11.2.1.4 The provisions of Section 11.2.1 above shall not prevent SBSD from complying with any state or federal requirements enacted after the ratification of this Agreement which require bargaining unit members to participate in SBSD-wide committees.

11.2.3 6th-grade Outdoor Education

Any bargaining unit member required to attend camp shall receive \$250 per overnight stay for attendance at camp.

11.3 In unusual instances of personal convenience, not provided for in the Leave Section of this Agreement, unit members may be allowed to deviate from the provisions of Section 11.1 above, provided they receive prior approval of their immediate Administrator and render equivalent make-up time of school-based related service during the week in which the personal convenience need occurs, or if such in-week make-up is impossible, the time is made up during the week immediately preceding or following the personal convenience occurrence.

11.4 In order to accommodate school faculty meetings, the immediate Administrator may designate a specific day per week on which all unit members will render the 7 1/2 hour daily service requirement on the same daily schedule. Notwithstanding other provisions of this Article, two such faculty meetings per month may, at the discretion of the immediate Administrator, extend the 7 1/2 hour workday by sixty (60) minutes before or after said 7 1/2 hour workday.

11.4.1 For faculty meetings before school, this time will begin no earlier than one hour and fifteen minutes before the start of the school day and will end promptly fifteen (15) minutes before the start of the school day.

11.5 In unusual circumstances of SBSD-wide staff meetings required by SBSD, the Superintendent may require all unit members to render service on the same daily schedule in order to accommodate such prior scheduled total staff meetings.

- 11.6 Unit Members requested training opportunities will be mutually agreed upon and coordinated between the employee and site principal and offered pending availability, feasibility, and site/department resources.
- 11.7 When determining the makeup of each class for the following school year, placement of students will be done on an equitable basis whenever possible. Grade-level teams, special education teams, and other appropriate staff will meet with the site administrator to problem-solve inequities before the final class lists are shared publicly. The principal is the final decision-maker regarding class assignments.
- 11.7.1 Job share and combination classes warrant discussion that includes considerations for supporting the class makeup and workloads of teaching teams.
- 11.7.2 Unit members will be granted a transfer request or reassignment after two (2) consecutive years in a combination class assignment.
- (The parties agree to form a task force [to include unit members, site and district administrators, and a member of each of the negotiations teams] whose purpose will be to generate specific guidelines to support site and district administrators, and instructional staff in the considerations, forming, and support or combination classes. The task force work will be concluded no later than May 1, 2024, and the new guidelines will be used for the 2024-25 School Year.)*
- 11.8 The unit member work year, of not more than 185 days unless otherwise noted, shall be established annually by the Board of Trustees after consultation with the Association regarding the composition of the calendar.
- 11.8.1 During the five (5) five workdays scheduled at the beginning of the contracted work year, unit members will receive a minimum of 40% of their contracted work time without administration or faculty meetings.
- 11.9 SBSD shall attempt to implement the provisions of this Article including Section 3, without the use of formal monitoring activities.
- 11.10 It is understood by the parties that individual teacher service to SBSD is their primary professional obligation.
- 11.11 During the term of the Agreement, SBSD will prioritize additional restricted one-time funds to offer up to two (2) days per year of Professional Learning for all

unit members. Attendance at said days shall be voluntary, and compensation for a full day of attendance shall be at an individual's per diem pay rate; there shall be no prorating of compensation for attending only part of a Professional Learning day. The Professional Learning days contemplated herein, shall be in addition to the regular work year of 185 days.

11.12 Classroom teachers and Specialists (excluding District Nurses and District TOSAs) may schedule a workday before each Progress Report is sent home/conferences are held, totaling three (3) days per year to formulate, formalize, and produce documented student progress.

11.12.1 These days will not be scheduled on a District Professional Learning Day in which their attendance is required. Attendance at pre-existing Staff Meetings is required.

11.12.2 These days are granted on a prorated basis for job-shares and less than full-time teachers and specialists.

11.12.3 Unit members who qualify for these days may choose to complete the specified tasks for these days on site, at another school site, district location or at home/private residence and remain accessible during work hours.

11.12.3.1 Unit members may elect to receive sub pay for each of the three work days rather than secure a sub. A timesheet must be submitted by the unit member within 15 days of each progress reporting period.

11.13 One week near the end of the first and second trimesters shall be scheduled as student minimum days to conduct Family-Teacher Conferences.

Article 12

TRANSFER AND VACANCIES

12.1 Definitions

12.1.1 A transfer refers to any action by SBSD, which results in the movement of a bargaining unit member from one SBSD site to another.

12.1.1.1 A transfer may be teacher-initiated (“voluntary”) or administration-initiated (“involuntary”).

12.1.2 A reassignment refers to any action by SBSD, which results in the movement of a bargaining unit member to a new grade level or classification at the same school site.

12.2 Voluntary Transfers - A member may request a voluntary transfer to take effect at the beginning of the next school year. The request shall be made on a “Request for Transfer” form and submitted in accordance with the protocol set by Personnel Services.

12.2.1 Where a request is made for a transfer, such request shall be submitted no later than March 1 of the prior year.

12.2.2 The filing of a request for a transfer is without prejudice to the member and shall not jeopardize the present assignment. A request for transfer may be withdrawn by the employee in writing at any time prior to official notification of transfer approval.

12.2.3 Transfer requests from existing personnel who meet the qualifications for the position sought shall be given consideration before applicants from outside SBSD are considered. This shall include all vacancies that occur at least five (5) working days prior to the first day of school.

12.3 Involuntary Transfers - Involuntary transfers shall be based on the legitimate educational-related needs of SBSD or the evaluated performance of the unit member. Members to be involuntarily transferred will be given as much advance notice as administratively feasible.

12.3.1 An involuntary transfer shall not result in the loss of compensation, seniority or any fringe benefit to a member.

12.3.2 Determination of the person(s) to be involuntarily transferred shall be determined by the site administrator in collaboration with the Assistant Superintendent of Personnel Services giving consideration to the following:

12.3.2.1 Credential limitations and training and experience qualifications.

12.3.2.2 Program needs and qualifications, which are desirable for the optimum operation of SBSD.

12.3.2.3 The length (seniority) and quality of employee service in SBSD.

Article 13

EVALUATION PROCEDURES

13.1 The following procedures for evaluation of bargaining unit members shall be considered as general goals for each school year and the suggested timelines shall be implemented for full-year assignments, with timelines for assignments of lesser duration being prorated accordingly:

13.1.1 By the 4th Friday after the start of member's service with students:

13.1.1.1 Orientation materials related to evaluation procedures will be provided to all eligible members.

13.1.2 By the 6th Friday after the start of member's service with students:

13.1.2.1 Consistent with the current certificated evaluation system, members/evaluatees shall submit to their evaluator, objectives along with measurement activities related thereto, to be considered in the annual evaluation. The evaluator and the evaluatee shall conference and discuss these matters.

13.1.3 By the 8th Friday after the start of member's service with students:

13.1.3.1 The evaluator and the evaluatee shall attempt to reach mutual agreement on the evaluatee's proposed objectives and measurement activities related thereto, including the use of a fellow staff member in an attempt to resolve any impediments to mutual agreement. Whether mutual agreement is reached or not, the evaluator shall, by the eleventh Friday after the start of a member's service with students, determine, and shall transmit to the member, a complete listing of approved objectives, and measurement activities related thereto, that have been submitted by the member and which shall form a partial basis of the annual evaluation that the evaluator will prepare for the member. The objectives-related measurement activities referred to herein shall be within the scope of the member's job description prescribed by SBSD. Either the evaluator or the evaluatee may request a conference to discuss these matters.

- 13.1.4 By the middle of the length of an assignment:
- 13.1.4.1 Within five (5) school days after the request, the evaluator shall be provided with a written progress report from the evaluatee containing an itemized analysis of the progress being made toward achievement of the objectives prescribed in Section 13.1.3.1 above, including an analysis of mitigating circumstances that may have developed since the initial proposal on objectives and measurements was submitted earlier in the year.
- 13.1.5 By midpoint of the second half of an assignment:
- 13.1.5.1 The evaluator shall conduct such observations, and gather such data on evaluatee performance as the evaluator believes to be related to:
 - 13.1.5.1.1 The actual objectives and measurement activities described in Section 13.1.3.1 above.
 - 13.1.5.1.2 Other student achievement criteria and the job description that is established by SBSB. Supplementary classroom observations and data gathering shall continue beyond the midpoint of the second half of an assignment at the discretion of the evaluator.
 - 13.1.5.2 Within a reasonable time after a request, or upon the evaluator's own motion, an evaluatee shall be provided with a written statement regarding instructional observations that have been conducted. Such written statements shall include activities observed and suggestions being made by the observer for possible improvement by the evaluatee or commendations regarding the member's service.
 - 13.1.5.3 A written report of the achievement of objectives and measurement information related thereto shall be submitted by the evaluatee to the evaluator by the midpoint of the

second half of an assignment in which formal evaluation is scheduled.

13.1.5.4 A final report written by the evaluatee presented at the end of the school year shall include the achievement of objectives with measurement information related thereto.

13.1.6 Not later than thirty (30) days before the end of a school term (for an assignment of one semester or longer).

13.1.6.1 The evaluator shall prepare a written SBSD evaluation form of the unit member's performance and transmit the evaluation to the member. Permanent employees shall be formally evaluated at least once every other year; probationary and temporary employees shall be formally evaluated at least once each year. Said formal evaluation shall not be issued unless the evaluator has conducted at least two (2) observations of full teaching activities during the evaluation period. The member may submit a written reaction or response to the evaluation and any such response to the evaluation shall be attached to the evaluation and placed in the member's permanent personnel file.

13.1.6.2 Temporary unit members who have completed four (4) consecutive years of service and received satisfactory evaluations in each of those four (4) years may be evaluated every other year using the traditional evaluation. No later than the final day of the week prior to the final week of instruction (for an assignment of ninety (90) days or longer), an evaluation conference shall be held between the evaluator and any member receiving a written evaluation report, as described in Section 13.1.6.1 above. If there are areas of unsatisfactory performance, they are to be told in this final written evaluation report. A remediation plan shall be developed with the member and subsequently implemented by SBSD.

- 13.2 An evaluator's judgments and recommendations contained in observation reports and annual evaluation appraisals shall not be subject to the grievance procedure contained in Article 10 of this Agreement.
- 13.3 Unit members shall not be held accountable for any aspect of the instructional program over which they do not have authority; or be required to participate in the evaluation and/or observation of other bargaining unit members.
- 13.4 In addition to the above, the following provisions related to unit member evaluation shall be followed:
- 13.4.1 The Board shall not predicate any adverse action upon a unit member's personal, political and organizational activities or preferences, unless such activities and preferences affect the member's job performance.
- 13.4.2 SBSD shall maintain a personnel file for all members including formal evaluations and shall maintain employment records of former employees.
- 13.4.3 Derogatory material shall not be placed in a member's personnel file until the employee has been first provided with a copy of said material and been given an opportunity to attach a comment thereto. Derogatory materials, as described herein, shall not be placed in a teacher's personnel file unless the source and date of such materials are clearly shown.
- 13.4.4 Access to bargaining unit member personnel files shall be limited to the unit member, the member's express representative, the member's supervisors and the Board of Education when meeting in executive session.
- 13.4.5 A bargaining unit member may use reasonable release time within their work day for review of their personnel file, or for the purposes of attachment of responses to derogatory materials.

13.5 Unit members who meet the qualifying guidelines stated in California Education Code 44664, and, who have been employed by SBSD for at least ten (10) years, may be evaluated every three (3) years instead of every other year if the employee received a satisfactory evaluation during the previous evaluation cycle and the evaluator and the members consent to the three-year cycle. The ten (10) year period will begin with the unit member's first year of paid status in a certificated assignment. By written request of the evaluator or the member, the unit member shall be returned to the evaluation cycle of every other year. Upon receipt of an evaluation marked 'does not meet the Standards for the Teaching Profession', the unit member will be returned to the annual evaluation cycle.

13.5.1 The timeline above may also be selected mutually by the evaluator and evaluate to utilize the Alternative Evaluation option.

13.6 This article shall be discussed at least every three year to make sure that the Certificated Professional Development Program (CPDP) Evaluation components are properly referenced in Article 13 (Evaluation Procedures) of the Agreement and/or identify possible modification to the CPDP. This article was last revisited in 2023-2024.

LEAVES

14.1 General Provisions

14.1.1 The unit member exercising a leave of absence shall notify SBSD of their need to be absent from service as soon as known, but in no event later than 7:00 A.M. of the day of absence, except in cases of emergency. The notification described herein shall also include an estimate of the expected duration of the absence.

14.1.1.1 In cases covered by Sections 14.3.3.1 and 14.3.3.2, an employee shall notify the SBSD Office or immediate supervisor as soon as possible so that a substitute may be hired, if needed.

14.1.2 Immediately upon return to active service, the unit member shall complete the *Certificated Leave/Absence Request Form* (refer to Appendix E) and submit it to their immediate supervisor.

14.1.3 The unit member shall provide, upon SBSD request, additional verification of the use of these leave provisions.

14.1.4 A unit member who has experienced a disability absence requiring surgery, hospitalization, or extended medical treatment, shall be required to submit, prior to return to active duty, a medical statement indicating an ability to return to their position classification without restrictions or detriment to the unit member's physical and emotional well-being.

14.2 Illness and Injury Leave

14.2.1 For each year of service, every full-time unit member of the Solana Beach School District shall be entitled to ten (10) days of absence due to personal illness or injury with full pay. Permitted days of absence are exclusive of all days the unit member is not required to render service to SBSD. If a unit member does not take the full amount of leave allowed in any school year, the amount not taken shall be accumulated from year to year. A part-time unit member on a regular basis is entitled to a pro-rated amount of sick leave.

- 14.2.2 Any unused sick leave credit may be used by the unit member for sick leave purposes, without loss of compensation. Upon exhaustion of all accumulated sick leave credit, the unit member who continues to be absent for purposes of this policy shall receive for up to one hundred (100) days, the difference between their salary and the salary of a substitute or the salary that would have been paid to a substitute if one was sought but not secured, or if a substitute was not needed. In order to qualify for the differential pay, a unit member shall first use all accumulated sick leave credit. However, if a school year terminates before the one hundred (100) day period is exhausted, the bargaining unit member may take the balance of the 100 days in the subsequent school year. Only one increment of differential pay shall be allowed for any single illness.
- 14.2.3 Upon request, if a unit member is absent due to illness, the employee shall furnish a statement signed by a physician verifying their illness.
- 14.2.4 Access to each unit member's accumulated sick leave is available on the paystub which is accessible via the Employee Self-Serve System.
- 14.2.5 A unit member who must be absent from duty because of disability as a result of pregnancy or convalescence following childbirth is eligible for leave which shall be taken from available sick leave. Under no circumstances is this leave to be used for purposes of childcare. Available sick leave benefits will commence upon certification by a physician that the unit member is disabled because of pregnancy or convalescence from childbirth. Available sick leave benefits will end when the physician certifies that the unit member's disability no longer exists. *(See Maternity Leave for other related leave provisions).*

14.3 Personal Necessity

- 14.3.1 When consistent with the definition of Personal Necessity Leave, a unit member may use up to ten (10) days of accrued sick leave benefits for Personal Necessity within a given school year without stating the specific reason. The unit member will complete the Certificated Leave/Absence Request Form.

14.3.2 Personal Necessity Leave may be used for circumstances which cannot be expected to be disregarded, necessitate immediate attention, or cannot be addressed during off-duty hours. For example, attendance at a wedding or school graduation of an immediate extended family member, or close personal friend, or child adoption leave shall be appropriate uses of Personal Necessity Leave. However, Personal Necessity Leave shall not be available for discretionary absences such as social events, occupational investigation, family convenience, personal preference or work stoppage.

14.3.3 The following may also be considered Personal Necessity Leave:

14.3.3.1 Death or serious illness of a member of their immediate family. Any such leave granted for the death of a member of the immediate family would be in addition to normal Bereavement Leave per section 14.4

14.3.3.2 Accident, involving their person or property, or the personal property of a member of their immediate family.

14.3.4 Except in the case of emergency, the unit member will submit a request at least five (5) work days in advance of the first day of Personal Necessity leave on *the Certificated Leave/Absence Request Form* (Appendix E listed).

14.4 Bereavement Leave

14.4.1 Every unit member shall be entitled to a leave of absence on account of the death of any member of their immediate family.

14.4.2 No deduction shall be made from the salary of such unit member nor shall such leave be deducted from leave granted by other sections of this Agreement.

14.4.3 Three (3) days shall be granted for immediate family. An additional two (2) days shall be granted for out-of-state travel. An additional two (2) days shall be granted if death is to a member of the immediate household. Total bereavement leave shall not exceed five (5) days.

14.4.4 “Immediate family” means the spouse of the unit member, mother, father, grandmother, grandfather, grandchild, son, son-in-law, daughter, daughter-in-law, brother, or sister of the unit member or of the spouse. This also includes any relative living in the immediate household or the unit member.

14.5 Employment Leave for Reproductive Loss

14.5.1 A unit member may request up to five (5) days of consecutive or non-consecutive leave in the case of “reproductive loss” in accordance with Government Code section 12945.6 (failed adoption failed surrogacy, miscarriage, failed assisted reproduction, or stillbirth).

14.5.2 If a unit member experiences more than one reproductive loss event within a 12-month period, SBSB shall not be obligated to grant a total amount of reproductive loss leave time in excess of the twenty (20) days within a 12-month period.

14.5.3 A unit member is entitled to use sick leave or personal leave that is otherwise available to the member upon the initiation of this leave.

14.5.4 This leave will be completed within three (3) months of the event entitling the unit member to that leave.

14.5.5 A unit member must have been employed at least thirty (30) days from their initial date of employment to qualify for the benefits under this section.

14.6 Industrial Accident and Illness Leave

14.6.1 A bargaining unit member, upon the first day of service, shall be entitled to an industrial accident or industrial illness leave of absence, not to exceed sixty (60) working days in any one fiscal year for the same accident.

14.6.2 An industrial accident or illness leave shall commence on the first day of absence and shall be reduced by one (1) work day for each day of authorized absence. When such leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due for the same continuing illness or injury.

- 14.6.3 A unit member absent from duties as a result of an industrial accident or illness shall be paid such portion of the salary due to them for any month in which the absence occurs as when added to their temporary disability indemnity will result in a payment to them of not more than their full salary. During any paid leave of absence, the unit member shall endorse to SBSB the temporary disability indemnity checks received on account of their industrial accident or illness. SBSB, in turn, shall issue the unit member appropriate salary warrants for payment of the member's salary and shall deduct normal retirement and other authorized contributions.
- 14.6.4 Upon termination of the industrial accident or illness leave, a unit member shall be entitled to the sick leave benefits provided and for the purpose of this section their absence shall be deemed to have commenced on the date of termination of the industrial accident leave (provided that an employee who continues to receive temporary disability indemnity will not receive payment of more than their full salary).
- 14.6.5 A unit member receiving the benefits of such leave shall, during periods of injury or illness, remain within the State of California unless otherwise authorized by the Governing Board.
- 14.6.6 Allowable industrial accident and illness leave shall not be accumulated from year to year.
- 14.6.7 When a dispute arises regarding an industrial accident or illness, no leave shall be granted until a determination has been made regarding the case by the State Compensation Office or the Appeals Board. While this dispute is pending, sick leave benefits as prescribed in this Agreement shall be provided by the School District. The benefits provided in this leave are in addition to sick leave benefits. Accordingly, the Board shall not deduct accumulated sick leave from the sick leave allotment of a unit member who is absent as the result of an industrial accident or illness. An employee shall be permitted to return to service after an industrial accident or illness only upon the presentation of a release from the authorized Worker's Compensation physician certifying the employee's ability to return to their position classification without restrictions or detriment to the employee's physical and emotional well-being.

14.7 In-Service Leave

- 14.7.1 A unit member may, with the recommendation of their principal, be granted one (1) day of paid leave each school year for the purpose of improving their performance. SBSB may require the unit member to participate in such in-service activity. Such leave may be used to visit classes in other schools or to attend workshops related to their performance.

14.8 Jury Leave

- 14.8.1 A unit member shall be entitled to as many days of paid leave as are necessary for jury duty.
 - 14.8.1.1 Pay for jury duty, excluding mileage allowance, shall be reimbursed to SBSB.
 - 14.8.1.2 A unit member who voluntarily postpones required jury duty to a non-work period shall be paid the daily substitute teacher rate for each day of jury duty actually served during said non-work period. Evidence of actual jury service (rather than telephone availability) shall be submitted to Assistant Superintendent, Personnel Services.

14.9 Conference Attendance Leave

- 14.9.1 The Superintendent, with the approval of the Board, may authorize attendance of unit members at selected professional seminars, workshops and conferences designed for staff improvement, and the Board may authorize expenses so incurred.
 - 14.9.1.1 Attendance Approval Procedures:
 - 14.9.1.1.1 All requests by unit members to attend conferences at which school or District funds are expended, must be approved by the Board of Trustees.
 - 14.9.1.1.2 The individual requesting approval to attend a seminar, conference or workshops at school or District expense must submit a written request to their school principal or immediate

supervisor. The principal or immediate supervisor shall review the request and, if approved, submit the request to the SBSO Office. The request shall be submitted in sufficient time to allow presentation to the Board for their consideration prior to the event.

14.9.1.2 Conference Within San Diego County:

14.9.1.2.1 The Superintendent may authorize mileage, meal and registration fee claims for faculty attendance at conferences within San Diego County. Reimbursements will be treated under the current IRS code.

14.9.1.3 Conferences Outside San Diego County:

14.9.1.3.1 Prior written approval of the Superintendent and Board of Trustees shall be required for attendance and expense reimbursement at conferences that are held outside San Diego County.

14.9.1.4 Guidelines for Transportation and Lodging:

14.9.1.4.1 The most economical and reasonable mode of transportation shall normally be used at all times, and expenses should be kept at a minimum. When two or more unit members attend the same conference, an attempt should be made to coordinate and share transportation.

14.10 Subpoena Leave of Absence

14.10.1 Subpoena leave shall be provided when a bargaining unit member is absent because of mandatory court appearance as a witness, not a litigant, in response to a subpoena duly served. A unit member shall suffer no monetary loss or gain by reason of this service.

- 14.10.2 A copy of the subpoena or a certificate of the clerk of the court and a report of fees received, exclusive of mileage, shall be filed with the absence report with the SBSB Office.

14.11 Job Sharing Leave

- 14.11.1 Shared contracts will be allowed at the ratio of 1 per 10 general education classrooms teachers per site during any school year. It is not recommended that more than one job share be approved at a grade level. Site principals shall have the option of approving job-share proposals based upon the criteria in 14.10.2 and 14.10.4 below. Job shares of varying percentages (50-50, 40-60, etc.) may be approved based upon school need and the quality of the proposal. Teachers may hold a job-share position for two consecutive years. Additional years may be approved by the principal if there is an opening.

- 14.11.1.1 However, when the situation arises and a full-time certificated teacher who is not assigned to a general education classroom (including but not limited to SLPs, Special Education Teachers, CRTs, et al.) submits an application and is approved to share a contract, the shared contract ratio will be adjusted to a ratio of 1 per 10 full-time equivalent certificated. It is not recommended that more than one specialist position be approved for a job share per site.

- 14.11.2 Base requirement to apply for a job-share position are: both teachers must be in permanent status; at least one of the partners must have taught the grade level/specific position; at least one of the partners must currently teach at the school site. Priority will be given to the job-share teams where both teachers are at the same site. Current full-time teachers will be considered before those returning from leave.

- 14.11.3 Teachers occupying shared jobs shall be required to provide the complete range of adjunct duties required of other teachers. Responsibilities of a job-share assignment shall be allocated in accordance with the job-share proposal approved by the principal. Additional duties and responsibilities required of job-share teachers:

- a. Both teachers will attend District-related staff development that occurs during a semester when they are rendering service to SBSD.
- b. Both teachers will attend parent-teacher conferences that occur during a semester when they are rendering service to SBSD.
- c. Both teachers will share the responsibilities of attending staff meetings, with the teacher in attendance keeping the other teacher informed of all school business.
- d. Both teachers will be present for five overlapping instructional days, in addition to responsibilities for Back to School Night, conferences, etc.
- e. Teachers in the job share will substitute for each other whenever possible.
- f. In the event that one teaching partner cannot complete the school year and the job share is terminated because one teacher cannot complete said job assignment, the remaining partner will return to a full-time position when feasible.

14.11.4 Criteria used to approve a shared contract:

After the basic requirements of the job sharing are met (see 14.11.2), the principal will consider factors including teacher compatibility, past successful team participation, and most importantly, the quality of the job-share proposal.

14.11.5 Teachers sharing a full-time position are entitled to share the full-time benefit package on a pro rata basis equal to the percentages of the job share. The job sharers must enroll in SBSD fringe benefits and pay their portion of the premiums by completing the appropriate payroll deduction forms for premium payment. Notwithstanding the above, one member of a job-sharing team may waive rights to their share of the benefits package so that the other member of the team will receive the full 100% package.

14.11.6 Bargaining unit members requesting permission to enter the job-sharing plan shall submit the appropriate application to the site administrator no later than March 1st of the prior year. Said application shall include a detailed plan of how the proposed job sharing will function and its design to avoid the impairment of educational opportunities/experiences for students in the job-shared classes.

The site administrator shall make the final decision regarding placement and approval of job-sharing contracts.

14.11.7 SBSB and the Association agree that the decision to approve job-sharing plans shall not be subject to the provisions of Article 10 of this Agreement (Grievance Procedure).

14.12 Other Leaves

14.12.1 General Provisions

A unit member who is eligible for FMLA or CFRA may elect to use leave if unable to render service to SBSB as a direct result of the pregnancy.
- 14.12.6.2 For purposes of this section, “maternity or paternity leave” means child bonding or child care leave within the first 12 months following the birth of the unit member’s child, or the placement of a child with the unit member in connection with the adoption or foster care of the child by the unit member, as provided in CFRA.
- 14.12.6.3 A unit member shall not be provided more than one 12-week period per maternity or paternity leave. However, if a school year terminates before the 12-week period is exhausted, the unit member may take the balance of the 12-week period in the subsequent school year.
- 14.12.6.4 Leave taken under this section shall be in addition to leave taken by a unit member due to her disability caused by pregnancy, childbirth or related medical conditions.
- 14.12.6.5 A unit member must have been employed at least 1 months from their initial date of employment, to qualify for the benefits under this section.

14.12.6.6 When both parents of the child are unit members, each unit member will be eligible for 12 work weeks of child bonding or child care leave.

14.12.6.7 The minimum duration of the leave shall be two weeks, except that SBSB must grant a request for a leave of less than two weeks duration on any two occasions and may grant additional requests.

14.13 Catastrophic Leave

14.13.1 Catastrophic Leave Bank

SBSB shall establish a Catastrophic Leave Bank to which eligible employees may donate earned and unused sick and/or vacation leave. Employees who wish to donate may do so by completing the “Catastrophic Leave Donation Form” and returning it by the posted deadline. Donations are confidential, irrevocable, and cannot be rescinded for any reason whatsoever. A donation to the Catastrophic Leave Bank shall be a general donation and shall not be donated to a specific employee or his or her exclusive use. The maximum number of hours that may be accumulated in the Catastrophic Leave Bank is 1,280 hours (160 days).

14.13.2 Definition

14.13.3 Solicitation of Donations

Contribution to the Catastrophic Leave Bank shall be solicited during the month of November each school year if there are fewer than 1,280 hours remaining in the Bank.

All donation forms must be received by the Payroll Office no later than the last working day in December of each school year. In addition, donations may be solicited when needed to replenish the Catastrophic Leave Bank

14.13.5 Minimum/Maximum Donation

14.13.5.1 An eligible certificated employee who wishes to make a donation must donate a minimum of one (1) day of sick and not more than five (5) days per year.

14.13.5.2 All references in this regulation to hours of donations for use are based upon full-time employment. Hours of donations for use for part-time employees shall be credited or used on a pro rata basis.

14.13.5.3 All donations to the Catastrophic Leave Bank will remain confidential.

14.13.6 Qualification of Recipient

15.2 Progressive Discipline

15.2.1 Discipline action shall be initiated at the lowest appropriate administrative level.

Progressive discipline shall be utilized except for conduct which is of such a nature and/or the severity of the circumstances warrant a higher level of discipline and/or where lower levels of progressive discipline would not sufficiently redress the conduct.

15.2.2 The parties endorse the principle of progressive discipline. For purposes of this Article, the following steps in correcting and/or modifying behavior shall be taken, where appropriate.

15.2.2.1 Informal or Verbal Warning. The identification and communication of the problem is made verbally. A unit member may request to have an Association representative present when a verbal warning will be used. The context and content of the meeting shall be summarized in writing to the unit member, with direction to correct and avoid the deficiency or misconduct. The verbal warning documentation shall include the name of the unit member who received the verbal warning, the name of the administrator who issued the verbal warning, the date the verbal warning was issued, and a brief description of the content of the verbal warning.

15.2.2.2 Written Warning and Directive. The written reprimand shall include the name of the unit member who received the written reprimand, and name of the administrator who issued the written reprimand, the date the written reprimand was issued, and a brief description of the content of the written reprimand and the remedy sought by the administrator. 15.2.2.4 Unpaid Suspensions. Unless the conduct is of a severe nature or circumstance, no suspension shall be imposed without at least one prior written reprimand relating to the cause(s) for suspension. Nothing herein precludes SBSB from pursuing suspensions of more days pursuant to the requirements of the Education Code.

15.2.3 Written warnings or reprimands shall be signed and dated by the unit member receiving them. The written warning or reprimand shall inform the unit member that a copy of the documentation will be placed in their personnel file and of the right of the unit member to have a written response or rebuttal attached and included in the unit member's personnel file after 10 days. The unit member's signature only acknowledges receipt and not necessarily agreement with the content of the documentation.

15.3 Unpaid Suspension Procedures

The following procedures shall apply when, in the judgment of management, the unit member has committed one or more acts or omissions that justify a recommendation for suspension without pay.

- 15.3.1 Before a unit member is suspended, a “Notice of Proposed Discipline” will be personally served or sent by regular and certified mail to the unit member’s most recent address on file, with a copy of the same to be forwarded to the Superintendent or designee and a copy placed in the unit member’s personnel file. The Notice shall contain:

- 15.3.1.1 A statement of the cause(s) justifying the suspension;
- 15.3.1.2 A description of the events and conduct which necessitated the recommendation, including a summary of the progressive steps of discipline already taken to assist the unit member in correcting their deficiencies and/or misconduct, if applicable. The Notice shall specify the rule, policy, procedure or law if it is alleged that such was violated by the unit member.
- 15.3.1.3 A statement specifying the number of proposed days of suspension;
- 15.3.1.4 Notification that the unit member may review and/or make copies of available materials relied upon by SBSB to make the recommendation;

15.3.2 Pre-Disciplinary Meeting

- 15.3.2.1 Before any suspension is imposed the unit member shall be given the opportunity to attend a pre-disciplinary meeting before the Superintendent or designee, to respond to the charges and causes. At that meeting the unit member will be afforded a reasonable opportunity to provide information for the Superintendent's/designee's consideration before the Superintendent/designee makes a decision regarding the proposed discipline. The proceeding will be informal; there will be no formal cross-examination of witnesses or formal presentation of evidence. The Superintendent/designee will receive all information provided by the unit member and may elect to conduct their own further review of information after the meeting and before making their determination. The unit member may have a representative of their choice attend and represent them at the meeting. However, the unit member must be present at the meeting or otherwise waive the right to the pre-disciplinary meeting.
- 15.3.2.2 Within 10 days of this pre-disciplinary meeting, the Superintendent/designee shall make their determination and may issue a "Notice of Disciplinary Action" to the unit member, if a suspension will be imposed.
- 15.3.2.3 The "Notice of Disciplinary Action" will be personally served on the unit member or sent by regular and certified mail to the unit member's last known address on file and a copy will be placed in the unit member's personnel file. This Notice shall inform the unit member of the number of suspension days to be imposed and the proposed dates when the suspension will take effect.
- 15.3.2.4 For suspensions of two or fewer days, the unit member's appeal and review shall be limited to the pre-disciplinary meeting with the Superintendent or designee. If the Superintendent approves a suspension of two or fewer days, the Superintendent or designee

shall determine the dates when the suspension, if any, will be imposed.

- 15.3.2.5 If a suspension of three to 10 days is imposed, the unit member may appeal the Superintendent's determination to the Governing Board. Such appeal must be filed in writing with the Governing Board within five days of the Superintendent's determination to impose a suspension of three to 10 days. A copy of the appeal shall be forwarded to the Superintendent.
- 15.3.2.6 If the unit member appeals the suspension of three to 10 days, the Board shall consider the "Notice of Disciplinary Action" during the closed session portion of a regular or special board meeting. The unit member has the right to have a representative attend the meeting and represent them. However, the unit member must be present at the meeting or otherwise waive the right to address the Board.
- 15.3.2.7 The unit member will be provided with written notice of the time and place of the closed session in which the unit member's appeal will be heard by the Board. Pursuant to Government Code section 54957, the notice shall advise the unit member of their right to have the Board hear the appeal in either open or closed session. If the unit member requests the matter be heard in open session, such request must be provided to the Superintendent prior to the day in which the agenda is finalized for the scheduled Board meeting.
- 15.3.2.8 Following the presentation by the parties in closed or open session, the Board shall meet privately to discuss and deliberate and make its decision regarding whether the suspension shall be upheld. The Board has the discretion to reject or modify the proposed number of days of suspension. However, the Board may not increase the number of days of suspension.
- 15.3.2.9 The written decision of the Board shall be served upon the unit member and the Association. The decision of the Board shall be final.

15.4 Nothing in this Article shall prohibit SBSB from instituting discipline, up to and including dismissal, pursuant to the California Education Code. Such actions are specifically excluded from the operation of this Article, and discipline under this Article shall not be regarded as a precondition to proceeding with discipline under the Education Code.

15.5 Individual Unit Member Right to Association Representation

15.5.1 When SBSB is conducting an interview and interviews a unit member, if during the interview SBSB interviewer concludes that the unit member could be subject to discipline, SBSB shall inform the unit member of their rights of representation and will allow the unit member a reasonable amount of time to talk with their Association representative before the interview continues. If the unit member decides not to obtain Association representation and continues the interview, the unit member shall notify SBSB in writing prior to the continuation of the interview.
