

Gold Medal Reading Instructions

Entering Books

First, click on the My Books tab. This will display a list of all books you have entered during the current term as well as goals you have reached.

Gold Medal Reading

Hello, Andrew Arnone

Welcome | **My Books** | Recommended Books | My Prizes | Help

Solana Ranch Elementary School

Log your books into the Gold Medal Reading program and track your progress toward earning a gold medal and more prizes throughout the year! Our program will culminate with an author assembly in June 2019.

Please email dawnbutler@sbsd.k12.ca.us with any questions or issues.

Sponsored by Solana Highlands and Solana Pacific Parent Teacher Associations (PTA) and Solana Ranch Parent Teacher Organization (PTO).

Dates To Remember

Date
Program End: 5/15/2019

Total Books Read

4 books read by you!
23 books read by your class
299 books read by your school

To enter a new book you have finished reading; click the "Enter A New Book" button.

Cancel **Submit**

Goals I've Reached

you make on this entry by using the change selected book or delete selected book tabs located at the bottom of the Books Read list. Once the book has been accepted by your teacher, you cannot change it.

2. If a page count of 0 is submitted for a book, 36 pages will be applied to your level goals. (Note: This is similar to how books were entered for K-2 students in the past)

3. Repeat these steps for each book read.

Modifying Book Entries

Click on My Books if you are not already viewing it.

1. Click on the book you wish to modify in the "Books I've Read" list.

2. Click on the Change Selected Book button.

****Note:** Book entries may be modified only before a teacher has reviewed them, or if a teacher has rejected the entry. Books that have been accepted by the teacher will not be editable. If no book is selected, the "Change Selected Book" button will be disabled.

3. Update the information on the form. Book, Title, and Date Finished are required fields, others are optional.

4. When you are finished with your updates, click the Update button.

The Books I've Read list will be updated to reflect your modifications. Also, the status of the book entry will be displayed as a question mark icon to reflect it is pending teacher review.

Deleting Book Entries

Click on "My Books" if you are not already viewing it.

1. Click on the book you wish to delete in the Books I've Read list.

2. Click on the Delete Selected Book button.

Note: Book entries may be deleted only before a teacher has reviewed them, or if a teacher has rejected the entry. Books that have been accepted by the teacher will not be editable. If no book is selected, the Delete Selected Book button will be disabled.

3. A confirmation message will be displayed to verify your decision.

IMPORTANT: Deleting books cannot be undone. If you do not wish to delete the book then click the Cancel button. Once the book has been deleted you cannot bring it back. You can,

however, enter the book again by following the directions for Entering Books.

4. If you are sure you wish to delete the book, click the OK button.

The Books I've Read list will be updated to reflect your modifications.

Teacher Acceptance/Rejection of Books

Your teacher will review the books you have submitted once a week and will approve or reject them. Once approved, you will move to the next Level.

Books will be rejected if page count appears to be incorrect or if the teacher feels the student could not have read the book in the time indicated. Parents will get an email from telling them if a book has been rejected and asking them to correct the entry. If a parent has a question about a rejected book, they can contact their teacher by email for clarification.

Prizes and Levels

- * Levels are achieved when you read 300 pages.
- * Goals you have achieved will be listed on the My Books tab in the Goals I've Reached list.
- * Available prizes and your status for each are listed on the My Prizes tab. The Prize Status list will display available prizes along with required reading for each. Also shown is how much more reading you must do in order to earn each prize.
