

Happenings

In the Jungle

The month of October has been action packed for the Jungle Room. We have focused on following directions and asking for what we need as well as tracing, dotting, and painting letters A, B, and C as part of our letter introduction.

The kiddos have also been super excited with our 5th grade "Buddy Group" collaboration. The experience with their buddies has been amazing to say the least. The 5th graders have interviewed, read to and participated in a fun and messy Halloween art project. In November, we will continue with our alphabet and introduce our "Family" theme.

In the Ocean

October has come to a close, and we are looking forward to all the fun that November will bring! Our theme for the month is families. We will be discussing our own families and how they are alike and different, and the many ways to be a family. We will be continuing with our letters of the week (E, H, T, I, and U) as well as exploring the math concepts of sorting and classifying by one or two attributes.

Mark Your Calendar!

Closures

November 10th

November 20th-24th

December 25th- January 5th

Solana Ranch Preschool

Operation Gratitude November 1st - November 8th

How to participate: Please bring any unopened candy you would like to donate to the office at the "Big Sschool"

Make: "Thank You" notes for the troops

The Candy and cards will be loaded onto a truck and sent to the troops as a part of Operation Gratitude

What we are learning!

This months theme is Family! We will be talking a lot this mont about all of the different people in our families, what a family is, and why it is special. In fine motor, will be focusing on drawing our families, Sorting, and continuing to work on cutting. In Large motor, we will be focusing on hand-eye/foot coordination.

Toys from home... Please keep home toys at home. Thank you for your help!
