

# MEET

Ms. Jody

## #Selfie

## #welcome

I am looking forward to seeing all of the new and returning families! I have been working for the Solana Beach School District for nearly 15 years. This is my second year at the preschool at Solana Ranch as the Head Teacher. I love working with the kiddos and partnering with the parents to assist with your families needs! I have a four year old daughter that will be in the Ocean Room this year. Let the fun and learning begin!
