

# MEET

Ms. Janice

## #Selfie

## #welcome

This is my 11<sup>th</sup> year teaching in the Solana Beach School District. I couldn't be more blessed to be doing something I love every day. I have a bachelors degree in Early Childhood Education. It is my core belief that our kiddos be afforded the opportunity to problem solve, think critically, and above all... have fun and discover! I look forward to meeting everyone. I know this year will be the best time!
