## #welcome

I am very excited to be your child's preschool teacher this year. I LOVE working and being around kids. I know it's going to be a fun year with lots of learning and many new adventures, and I can't wait to see what the year has in store for us!

I recently became a mother to a beautiful baby boy this summer. In my spare time I enjoying going on long runs and working in my little backyard garden. I love to travel and learning about other cultures.

I graduated from SDSU in 2013. This is my second year as a preschool teacher at Solana Ranch. I am also a bilingual teacher and I have a strong interest in learning sign language.
