

## **Solana Pacific Code of Conduct**

Welcome back to school! We want Solana Pacific to be the very best possible learning environment for your children. In order to do this, we must have good discipline where students know our expectations and show respect for each other and our school. We implement a school discipline program which is positive, emphasizing and rewarding good behavior while minimizing classroom disruptions or inappropriate behavior. Our school and classroom rules are made clear to the students, and your child's teacher will explain specific classroom expectations and rules.

Our motto at Solana Pacific is "**CHARACTER, COURTESY, AND CULTURE**," and we have adopted a code of conduct for all students to follow. By working together, we can make our school a safe place that allows students to fully develop their gifts and talents. Please take time to read and discuss our Code of Conduct with your child. Signing and returning the cover letter in the Wednesday envelope indicates that you have received this information. We appreciate your cooperation and support and we look forward to a positive and productive school year.
