FOR IMMEDIATE RELEASE

**Solana Beach School District Celebrates 2025 Employees of the Year**

**Solana Beach, CA (April 21, 2025)**

At its regular meeting on April 21, 2025, the Solana Beach School District (SBSD) Board of Education proudly celebrated the district's 2025 Employees of the Year, recognizing the exceptional contributions of both classified and certificated staff members whose work exemplifies the district's mission and core values.

Allison Schmitt, 5th grade teacher at Solana Pacific School, was named the District Certificated Employee of the Year. Schmitt, who has taught in SBSB for nine years, is known for her deep commitment to inclusion, digital literacy, and project-based learning. A natural mentor, she is a trusted resource for her colleagues and leads with thoughtfulness and collaboration.

“Allison Schmitt is the teacher every parent would love for their child to have during their elementary school years. She is organized, energetic, and engaging. Her fifth-grade students thrive in their classroom community where they learn not only academic subjects like math and science, but also how to be a good person, a kind friend, and a reflective learner. Mrs.

Schmitt's classroom is always buzzing and very interactive... learning is definitely fun in her classroom,” said Solana Pacific Principal Elisa Fregoso.

The Classified Employee of the Year honor was awarded to Juan “Johnny” Ramirez, Plant Foreman at Solana Vista School. Ramirez is a dependable and positive force on campus, known for consistently going the extra mile to support students, staff, and the larger district community. His attention to detail, pride in his work, and care for others are evident in everything he does—from maintaining a clean and beautiful campus to greeting students with a smile each morning.

“Each morning, Mr. Ramirez greets students by name, engages warmly with families, and starts our day with his infectious smile. He goes above and beyond in every way—his dependability, teamwork, and attention to detail ensure that our school not only looks beautiful but also runs smoothly,” said Solana Vista Principal Lisa Wilken.

Ramirez’s impact extends beyond Solana Vista. He can be found supporting other school sites during districtwide events like Discovery Fest, demonstrating his willingness to step in wherever needed.
