Solana Beach School District Announces New Leadership At Solana Highlands and Carmel Creek Schools

SOLANA BEACH, CA (June 25, 2021) — The Solana Beach School District proudly announces two new principals for the 2021-22 school year. Ms. Angela Tremble, who previously served as Principal of the Online

Scholars program during the 2020-21 school year, will serve as Principal at Carmel Creek School; and long-time educator and Solana Beach resident Ms. Lindsey Conley, whose children attended schools in the District, will serve as Principal at Solana Highlands School.

"We are excited to welcome these two outstanding educational leaders to their new posts" said Jodee Brentlinger, Superintendent. "Ms. Tremble is an innovative educator who brings leadership, experience, warmth, and a true passion for learning and technology to our team; and Ms. Conley brings a strong foundation in instructional practices and coaching, as well as a wonderful ability to build positive, lasting connections with both children and adults."

Ms. Tremble has served in the District for the past 17 years, first as a teacher in the third, fourth, and fifth grades. She then served as a District Teacher on Special Assignment (TOSA) where she provided teacher leadership in the integration of technology into the classroom, the implementation of California standards, and offered professional learning for teachers and other classified and certificated staff. During the 2019-2020 school year, Ms. Tremble was promoted to a new position of Assistant Principal, serving the Solana Ranch and Solana Pacific schools. With an excellent record in leadership and teaching, coupled with her passion for technology and innovation, she was selected in 2020 to develop the District's first-ever online learning model, eventually serving as the program's principal. Ms. Tremble is a graduate of the University of Colorado at Boulder and the University of San Diego. Her master's degree is in Teaching and Learning, with an emphasis in Literacy.

Ms. Conley is entering her 23rd year as a public school educator and has a wide range of teaching and leadership experiences from Kindergarten through seventh grade. She started her career teaching elementary school in Sacramento and later moved to San Diego to obtain her master's degree in Language and Literacy from San Diego State University. She worked for 17 years in the Rancho Santa Fe School District as a classroom teacher, reading specialist, and instructional coach, supporting the professional development of teachers in the area of literacy. Ms. Conley has also served as an administrative designee serving several principals. In 2019, she completed her administrative credential through the San Diego County Office of Education Preliminary Administrative Services Credential Program. Ms. Conley, her husband Scott, and their four boys enjoy traveling, visiting the beach, and pursuing mountain adventures.

Carmel Creek School is located at 4210 Carmel Center Road in San Diego. Solana Highlands School is located at 3520 Long Run Drive in San Diego.
