

Solana Beach School District

1st Interim report / presentation Dec 9, 2021

Background

- The First Interim report represents the first formal review / revision of the current year budget
- Reflects revenue and actual spending through October 31
- Upon review, <u>the Board will be asked to provide a POSITIVE Certification</u>, stating the District will meet our financial obligations for 2021-22, 2022-23, and 2023-24. (Qualified or Negative are the alternatives; 55 LEAs were at 1st Interim 2020-21)
- The methodologies, assumptions, and other cost factors used in creating the 2021-22 budget are currently being analyzed and may necessitate revisions for 2022-23 budget formulation
