New Organization for Solana Beach School District Board of Education

As a result of recent election, our Board of Education is welcoming new organization for the next twelve month period

New Organization - The December 15, reorganization of the Solana Beach School District Board of Education welcomed Debra Schade, Ph. D as Board President. Formerly Vice President of the Board Schade's background includes 20+ years of extensive work in educational governance. Schade has been an active member of our school communities and district, generously serving on the Board for 20 years. Schade's years of influence have been quintessential to the District, with her advocacy for students at the federal, state, and regional levels. We look forward to ongoing leadership of Debra Schade.

Dana King moves forward as Board Vice President. King has been a longtime resident of Solana Beach, as well as supporter and advocate for the Solana Beach School District. As a public school leader, King is a champion for healthy school environments, understanding this leads to a positive culture and more flourishing society. We are eager to reinforce this development through Dana King's focus and attention.

Gaylin Allbaugh will continue her role as Board Clerk with Julie Union and Vicki King, Esq., serving as members.

2023 Board Meeting Schedule - Ushering in the new year, the Board adopted the regular board meeting schedule for 2023. Keeping in mind accessibility and availability, SBSD's primary goal is to host meetings at times and dates where the community can actively participate/join. We look forward to connecting with our community at our meetings. As a courtesy, Board meetings are also accessible virtually via a link, in the event that physical presence cannot be achieved.

All meetings are regularly scheduled to begin at 6:30 p.m. at Skyline School, unless otherwise noted:

ABOUT THE SOLANA BEACH SCHOOL DISTRICT

The Solana Beach School District, nestled on the north coast of San Diego County, serves approximately 2,800 students. Instruction is rich, varied and innovative. Our emphasis is on core standards instruction provided through a continuous progressive curriculum. District schools consistently rank at or near the top in district, county and state accountability measures. Our students and schools have received numerous awards and have been recognized at county, state and national levels for a variety of accomplishments. Working together, our mission focuses on providing a safe space where learners find their voice, share their gifts, and advance the world. Unified is our district, centered on inspiring wonder and discovery in learning and life.
