

Board Meeting on May 18, 2023

The Solana Beach School District (SBSD) Board of Education convened in the Skyline School Theater, and introduced, discussed, and took action on topics relating to: Recognition of the 2023 Inspiration Award Recipients, and the 2022-23 Association of California School Administrators (ACSA) Student Standout Awardees; Donations to SBSD; Second reading and adoption of the December 2022 Board Policies; and updates on other district projects.

Highlights from the Meeting

Recognition of the 2023 Inspiration Award Recipients & 2022-23 ACSA Student Standout Awardees

With a strong community presence, the SBSD Board of Education, and school and district staff celebrated the 2023 Inspiration Award Recipients and the 2022-23 ACSA Student Standout Awardees. All seven SBSD school site principals recounted memorable stories of their exceptional students, and each recipient was present to accept their award and recognition alongside their teacher.

Acceptance of \$10,877.38 in donations to the Solana Beach School District

The SBSB Board of Education accepted \$10,877.38 in donations to support personnel, materials, and supplies for the 2022-23 school year. These generous donations were made by community members devoted to student success and achievement. Thank you to the Carmel Creek PTO and Kroger for their donations.

Second reading and adoption of the December 2022 Board Policy updates

According to the California School Boards Association, each year, new legislation and court decisions create the need for local school boards to review and update district policies. Regular review and revision of these policies helps ensure a district's policies are legally defensible as well as reflect the community's values, beliefs, and priorities. The December 2022 policy revisions and updates were adopted. All Board policies are available for public access on:

Additional district business

The SBSB Board of Education reviewed, assessed, and made decisions regarding flooring and HVAC unit replacement at Solana Santa Fe School; transportation services for students receiving Special Education services; Arts, Music, and Instructional Materials Discretionary Block Grant; among other topics.
