### **School Description**

Welcome to Solana Santa Fe Elementary School, home of the Coyotes! We are one of seven schools in the Solana Beach School District and rely on our mission statement along with our strategic plan to guide our educational efforts. Solana Santa Fe is a kindergarten through sixth grade school and has a proud history of student success, which is a tribute to the extraordinary efforts of the teachers, support staff, and parents.

### **District Mission Statement**

The mission of the Solana Beach School District is to provide a child-centered education of the highest quality, using the unique vision and resources of home, school, and community to ensure a stable and vibrant learning environment rigorous in academic standards, rich in diversity, sensitive to individuals, and committed to developing compassionate children who are confident, competent, and creative learners.

### **School Mission Statement**

Solana Santa Fe School provides and maintains a positive, nurturing, and collaborative educational environment where mutual trust and respect presides. Students are empowered to think critically, communicate effectively, acquire academic excellence, appreciate learning, develop socially, emotionally, and physically, become technically proficient, and function as responsible and productive citizens in a rapidly changing global society.

### **To Fulfill Our Mission:**

- Students will master the grade-level standards, deepening their understanding of the curriculum through increased active student engagement, differentiated instruction, and the integration of 21st century learning skills: communication, collaboration, creativity, and critical thinking.
- Solana Santa Fe is committed to a shared decision making process that teams principal, parent, teacher, and students together towards a mutual goal.

### **Core Beliefs:**

- Celebrate individual differences
- Open-minded
- Your personal best
- Organization built on mutual respect & dignity for all
- Team spirit
- Expectations high for all students and staff

### **School Emphasis:**

We want the students of Solana Santa Fe to:

- Feel safe and be empowered to take risks
- Be competent readers and writers
- Develop math and science proficiency
- Efficiently use technology and other 21st century learning skills - communication, collaboration, creativity and critical thinking
- Demonstrate appropriate social skills and sportsmanship<
- Appreciate and Respect individual differences
- Have a positive self image
- Have their natural talents recognized and nurtured
- Love learning and value it as a life long process<
- Have fun!

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Solana Beach School District held a Public Hearing on September 8, 2016, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available.

Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in December 2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Solana Santa Fe provides a safe, clean environment for students, staff, and volunteers. Built in 1993, with eight classrooms added in 1997, Solana Santa Fe School is situated on five acres. The school buildings span 46,292 square feet, consisting of a fine arts building, 18 permanent classrooms, nine portable classrooms, a library, a staff room, a multipurpose room, a computer lab, and a playground. The facility strongly supports teaching and learning through its classroom and playground space. The chart shows the results of the most recent school facilities inspection.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16
Science	94	90	90	90	84	78	60	56	54

\* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	5.8	13.5	73.1

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

ELA	79	82	82	86	44	48
Math	69	76	75	81	34	36

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	53	51	96.2	90.2
Male	23	23	100.0	91.3
Female	30	28	93.3	89.3
White	41	39	95.1	94.9

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	<b>5</b>	41	39	95.1	84.6
	<b>6</b>	48	47	97.9	85.1

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

Our Parent Teacher Association and the Solana Beach Schools Foundation provide substantial financial and volunteer support to our school, which includes enrichment programs, technology, science, art, music, and physical education. The PTO President can be reached at [ssfptopresident@hotmail.com](mailto:ssfptopresident@hotmail.com)

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Solana Santa Fe School at (858) 794-4700.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

Student safety and campus security during the school day are of primary importance. All gates are kept locked during the school day, and all visitors must sign-in at the school’s office and wear an identification badge while on school grounds. Surveillance cameras, which are not actively monitored, are installed in each ingress and egress area. Teachers, instructional aides, and administrators provide supervision before and after school, during lunch and during recess periods. The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment.

Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. The school evaluates the plan annually and updates it as needed. The plan was last updated and reviewed with school staff in September 2016.

**Professional Development provided for Teachers**

Staff members build teaching skills and concepts throughout the year by participating in conferences, workshops, and collaborative work. The Solana Beach School District offers two district wide staff development days at the start of the school year. Additional professional development is offered throughout the school year. Teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

The main focus of staff development is focused on strategies to support the implementation of California State Standards for English/Language Arts and Mathematics. Other professional development topics include Next Generation Science Standards, emerging technologies and district technology systems.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
