District Vision Statement

Inspiring wonder and discovery in learning and life

School Description

Welcome to Solana Ranch School, home of the Hawks! Solana Ranch is a kindergarten through sixth grade school and one of seven schools in the Solana Beach School District. Solana Ranch relies on our mission statement along with our strategic plan to guide our educational efforts.

School Mission Statement

The mission of Solana Ranch is to inspire greatness in tomorrow's leaders by providing a dynamic learning environment where all students maximize their potential intellectually, physically, socially, and emotionally. Teachers, staff, and parents create a rigorous and nurturing school environment that is focused on creating the leaders of tomorrow, a school that is cohesive in its desire to provide the very best education for its students, and most importantly, the overall success of each and every child! All students have opportunities to engage in relevant, creative, collaborative, and hands-on learning experiences in all curriculum areas, with a focus on Leadership and STREAM (Science, Technology, Research, Engineering, Art, and Math), through the use of the most current and effective methods of instruction, resources, and assessment. As a result, students will become critical thinkers, responsible, globally aware, and confident citizens who are prepared for a promising, rewarding, and fulfilling future.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Solana Beach School District held a Public Hearing on September 10, 2020, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All materials are available for parent examination at the school site or district office.

The table displays information collected about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Solana Ranch, with its Parent Teacher Organization and the Solana Beach Schools Foundation, provide substantial financial and volunteer support to our school, supporting enrichment programs such as STREAM (science, technology, research, engineering, art and mathematics), art, physical education and many volunteer opportunities before, during, and after school through such programs as student clubs (e.g. Tinkering Club, Garden, Math), academic enrichment opportunities (e.g. Math Olympiad, Math League, Science Olympiad, Math Counts, History Club, and many others), classroom support and community virtual building events. Our parents are actively involved in the decision-making process by participating in Strategic Planning, Dads' Club, and the Parent Teacher Organization (PTO).

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Solana Ranch School at (858) 350-6600 or our PTO.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Student safety and campus security during the school day are of primary importance. Perimeter gates are kept locked during the school day, and all visitors must sign-in and out at the school's office and wear an identification badge while on school grounds. Surveillance cameras, which are not actively monitored, are installed in each ingress and egress area. Teachers, instructional aides, and administrators provide supervision before and after school, during lunch and during recess periods. Development of the Comprehensive Safe School Plan is a collaborative effort between school and district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment.

Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees including tactical information; safe and orderly school environment; school rules and procedures; hate crimes policies and procedures; and bully prevention policies and procedures. The school evaluates the plan annually and updates as needed. The plan was last updated and reviewed with school staff in Fall 2020.

Suspensions and Expulsions

|-------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 0.3 | 0.3 | 0.3 | 0.5 | 3.5 | 3.5 |
| Expulsions | 0.0 | 0.0 | 0.0 | 0.0 | 0.1 | 0.1 |

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | 2.0 | 3.0 | 2.5 |
| Expulsions | 0.0 | 0.0 | 0.1 |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

The Solana Beach School District offered one districtwide professional learning day at the start of the school 2020-21 year. Additional professional learning is offered throughout the school year. Teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

Due to the impact of COVID-19, the District expanded its professional learning support to virtual options. A focus on maximizing the use of digital platforms to support teaching strategies to engage and further student learning in these new platforms has been an area of focus. In addition, professional learning around data and assessment and SEL have been targeted areas of professional learning.
